

From computations made by the examiners it would appear that the liability on account of death claims not known at the home office December 31, 1910, should be increased. The annual statement of the company carries a liability of \$500,000 on account of such claims.

DEATH LOSS SCHEDULE.

	1908.	
	Number.	Amount.
Unpaid December 31	1,248	\$ 2,726,238
Incurred during the year	9,039	22,500,280
Total	10,287	\$25,226,518
Deduct	26	199,380
Total liability	10,261	\$25,027,138
Paid during the year	9,008	22,141,484
Liability December 31	1,253	\$2,885,654

	1909.	
	Number.	Amount.
Unpaid December 31	1,253	\$ 2,885,654
Incurred during the year	9,489	23,707,404
Total	10,742	\$26,593,058
Deduct	17	222,489
Total liability	10,725	\$26,370,569
Paid during the year	9,172	23,034,980
Liability December 31	1,553	\$3,335,580

	1910.	
	Number.	Amount.
Unpaid December 31	1,553	\$ 3,335,580
Incurred during the year	9,616	23,960,847
Total	11,169	\$27,296,427
Deduct	40	245,668
Total liability	11,129	\$27,050,759
Paid during the year	9,607	23,925,620
Liability December 31	1,522	\$3,125,139

The deductions made in the above table are herewith given in detail.

	1908.	1909.	1901.
Currency	\$ 65,910	\$ 94,981	\$ 61,222
Age adjustments	120,300	103,200	133,894
Compromised	13,170	24,299	50,552
	\$199,380	\$222,489	\$245,668

ENDOWMENTS.

The matured endowments require no discussion. A schedule follows:

ENDOWMENT SCHEDULE.

Endowments outstanding December 31, 1909	\$408,862 19
Matured in 1910	\$6,426,522 11
Less currency changes	20,968 70
	6,405,553 41
	\$6,814,415 60
Endowments paid in 1910:	
Matured	\$6,367,225 88
Discounted	101,604 69
	\$6,468,830 57
Due and unpaid December 31, 1910	345,585 03
	\$6,814,415 60

The incorporation of the Montreal Tunnel Company, with a capital of 15 million dollars is announced. The signatories are Duncan McDonald, Louis Henry Timmins, Duncan McMartin, John Carson, Patrick Dube, Henry Archer Ekers, Louis Carson, Simeon Morin, Joseph Mizael Fortier and Treffe Bastien, all of Montreal.

THE MINERAL PRODUCTION OF CANADA IN 1911.

(Subject to Revision).

	Quantity	Value.
METALLIC.		
Copper, value at 12.376 cents per pound	55,848,665 Lbs.	6,911,831
Gold	9,762,090	9,762,090
Pig iron from Canadian ore	42,186 Tons	613,404
Iron ore sold for export	39,162	86,812
Lead, value at 3.48 cents per pound	23,525,050 Lbs.	818,672
Nickel, value at 30 cents per pound	34,098,744	10,229,623
Silver, value at 53.304 cents per oz. Ozs.	32,740,748	17,452,128
Cobalt and nickel oxides	221,790	221,790
Zinc ore	2,590	101,072
Total		46,197,428
Non-METALLIC.		
Actinolite	67 Tons	736
