

HAY-MAKING A PLEASURE

FROST & WOOD "CHAMPION" SIDE DELIVERY RAKE

Cleans up a wide swath and gives you a nice, even, loosely-piled windrow, through which the air can circulate and give you perfectly-cured hay. The three tooth-bars, arranged on a cylinder, give a perfect clean-up. No work about it—all you do is drive. This Rake is made of the highest grade materials, rigidly braced, and will handle the heaviest crop.

Frost & Wood Haymaking Implements are big labor savers and big crop sellers. You know your hay crop is the easiest spoiled of any if it isn't harvested right. Must be cut when ready. Must be properly cured. Must be got in on time. All these are easy, pleasant jobs if you use implements we have designed for the work—Frost & Wood Mowers, Rakes, Side Delivery Rakes, Tedders, and Hay Loaders.

FROST & WOOD "CHAMPION" HAY LOADER

If you once saw how neat, easy and quickly this Champion Hay Loader works you'd never rest until you had one, too. It's the sensible, modern, economical way of getting in the crop. It loads as fast as you want to drive. It is immensely strong, yet light. The six tooth-bars on the gathering drum pick up the hay and pass it up a moving rope-and-slat apron, on to the wagon—a clean, workmanlike job, too. Thrown in and out of gear by small levers on the wheels.

Let us send you our new Haymaking Folder—very interesting. At our nearest agents, or write our nearest branch to-day.

Palmer's Summer Packs

are sometimes called plough shoes or harvest shoes because they are especially designed for wear in the ploughing and harvesting seasons.

You will not be troubled with tired, aching feet after doing a hard day's work in Palmer's Summer Packs, because they are light in weight, durable, roomy, comfortable and waterproof.

Ask your dealer for a pair of these. "Moose Head Brand" shown above is stamped on every pair.
