TRADE MARK.

GOOD CROPS OR POOR CROPS,
Which Shall it be for 1893?

W. A. FREEMAN, Esq., Hamilton, Ont.: Dear Sir,—I have used your fertilizers on field carrots with the very best results. I had a fine crop of very large carrots. I would recommend your fertilizers to those requiring a first-class manure. Yours, etc., (Signed) CHAS. CARSON.
W. A. FREEMAN, Esq., Hamilton, Ont.: Dear Sir,—I received to-day seven sacks fertilizers, for which I enclose \$28. I found your fertilizers especially good for turnips last year, although the season was very dry, so this year I would like to enter the turnip contest. Please send me a book of your rules when convenient, and I will do my best to give the fertilizer a help along, and oblige. Yours, etc., (Signed) ISAAC C. WILSON.

THE WORTMAN & WARD MFG. CO.'S SPADE HARROW

The Best Pulverizer! The Best Cultivator! And The Best Harrow Ever Made.

It has no equal for pulverizing hard clay lumps. It is beyond question the best machine for making a seed bed on inverted sod. For preparing fall plowing for spring seed ing, especially in heavy clay soil, where the land is baked or become hard and difficult to move. For cutting up and pulverizing any kind of stubble land, either for the purpose of starting foul seeds or fitting for seeding. It is unquestionably far superior to anything in the market for cultivating any kind of land that is very difficult to subdue. Where every other tool has failed the Spade Harrow will be found to be just the machine needed. We also manufacture the "Daisy" Barrel Churn, Cistern, Well, Force and Wind Mill Pumps, Horse Hay Forks, McKay's Patent Combination Sling. Prices and terms given on application. Address—

TO FARMERS! Valuable Manitoba Farm **TO RENT OR FOR SALE**

A splendid, well improved farm, comprising 1600 acres, on the Assiniboine River, about twenty miles from Winnipeg, and two and one-half miles from White Plains station, would be rented for a fixed sum or on shares, either with or without the stock and machinery necessary to work it. 1400 acres fenced, about 350 acres cultivated, 200 acres of timber, good house, ample stabling for 150 head of cattle and forty horses; also other buildings. From its superior situation, quality of land, valuable buildings and proximity to Winnipeg, this makes one of the best farms in Manitoba. The place is at present in good running order, and is well stocked with horses, cattle, pigs, etc. Immediate possession can be given. I desired the farm would be sold on easy terms. For full information apply to **OSLER, HAMMOND & NANTON, Winnipeg, Man.** 31-y-om
