REGISTERED Southdown Sheep, Suffolk Sheep AND Berkshire Pigs.

THE Cheveley flocks and herds, the property of Col. H. L. B. McMahon, M.P., are unique for the purity of their blood, typical character, and individual merit. In their foundation, etc., no expense has been spared in securing the best and most perfect specimens of the different breeds. In each case full records are kept of individual pedigrees, so that any selections made from these flocks will, in addition to being of the highest merit and typical character, have also the great advantage of individual pedigrees.

The Southdowns have secured the highest show-yard honors during 1900 and 1901 at the leading English shows; in the latter year, besides winning the champion prize, gold medal and breed cup at Smithfield Show, two medals for best Southdown, six firsts, three seconds and numerous minor awards were won at Royal, Birmingham, Royal Counties shows, etc. The Suffolks are equally well bred, and numerous prizes have also been won. In fact, for individual merit, pedigree, and purity of breeding, it would be difficult to find better and more suitable flocks of either of these breeds from which to perpetuate their high individual merits. GOSSIP.

Dr. E. T. Hagyard, V. S., formerly of Campbell's Cross, Peel County, Ontario, died at his residence at Lexington, Ky., Feb. 15th, 1902, aged 82 years. Dr. Hagyard, who was a native of England and a graduate of the Royal Veterinary College, was, on the recommendation of Canadian stock-breeders, called from his home in Peel County, where he had a good practice, when the Bates boom in Shorthorns was at its height in the seventies, to treat a noted Kentucky bull belonging to a heifer, Kentucky breeder, and so impressed were a number of the horse- and cattle-breeders of that State with his veterinary knowledge and skill, that a liberal offer was made him to remove there for the practice of his profession, which he did, establishing a lucrative practice, which succeeded to his two sons, graduates of the Toronto Veterinary College, who have also had a very successful career. Dr. Hagyard was a man of fine character and a kind and genial disposition, and had many warm friends in Canada as well as in Kentucky.

Mr. John Gardhouse, Highfield, Ont., reports the following sales of Shorthorns from his herd: To Dr. F. C. Sibbald, "The Briars," Sutton West, by the pure Scotch heifer, Clarissa's Gem, by the Duthie-bred bull, Imp. Prime Minister 15280, out of the imported cow, Clarissa's Fancy, of the well-known Kinellar Claret family. To Dr. A. G. Hopkins, Neepawa, Man., Roan Lily, by a son of the Marr Missie bull, Scottish Pride, with her beautiful red heifer calf by the Lancaster bull, Prince Louis 32082 (imp.). To Mr. Walter James, Maple Grove Farm, Rossar, Man., the yearling heifer, Minister's Favorite, by the Duthie-bred bull, Prime Minister; dam Highfield Favorite, by the imported Nonpareil bull, Albert 2668. To Wm. G. Moffat, Teeswater, Ont., the young bull, Prince of Fashion, by Prince Louis (imp.), whose sire was sold for \$2,000 to go to South America; dam Miss Lily, by the Cruickshank Village bull, Premier Earl 1281 (imp.). To Mr. David Harsell, Austin, Texas, the young bull, Fancy's Minister, by Imp. Prime Minister; dam Fancy's Gem, by Guardsman (imp.), sire of the great show bull, St. Valentine; also the heifer, Pride of Highfield, by Prime Minister (imp.). To Mr. Geo. Kerr, Franklin, Man., the young bull, Prince Arthur 39689, by Imp. Prince Louis; dam Lillian, by the Brawith Bud bull, Guardsman (imp.); the cow, Lily's Favorite 32081, by Guardsman (imp.); dam Miss Lily by Premier Earl (imp.); also eight very nice heifers—Sybil, Lady Constance 66th, Lorne 12th, Lady Collingwood 16th, Constance Butterfield 22nd, Lorne 10th, Lady Collingwood 15th, Lily's Fancy, U. S. G. W. Stipe, West Unity, Ohio, Highfield Rose, by the Brawith Bud bull, Guardsman (imp.) and half-sister to the great, St. Valentine; dam Blooming Rose, by the Cruickshank Village bull, Premier Earl (imp.). I have yet for sale a few choice young bulls and heifers, sired by Imp. Prince Louis 32082 (77486) and Imp. Prime Minister 15280 (63104).

Were a man to start out to find an ideal lot of Ayrshire cattle, he would travel a long way to find a better lot than the herd owned by Mr. Donald Cumming, whose farm lies about four miles north of Lancaster, Ont., which is Mr. Cumming's P. O. and R. R. station. This herd is made up of extra large, well-formed animals of true dairy type, with large, perfectly-shaped udders and well-developed teats. Among them are a great many prizewinners, as: Lady Wonder 7893, whose dam, Little Wonder, was one of the first-prize herd at Chicago in 1893. Blossom 11459, who is the dam of Glengarry's Pride 12817, a bull of superior quality and merit, that Mr. Cumming is using on the herd, although he has refused several very tempting offers for him. On his sire's side this bull traces directly to that great show cow, Nellie Osborne, and on his dam's side he is closely related to that well-known cow, Beauty of Burnside. Other prizewinners in the herd are Snowdrop, Katie May, and Safura, all typical animals. There are also a number of heifers of various ages that are a pleasure to look upon. The second bull in service is Sir Donald of Elm Shade, out of the sweepstakes cow, Imp. White Glen of Holthouse. He is a model of the breed, and will certainly leave Mr. Cumming's herd better than he found it. Another extra good young bull is Glencairn's Prince, sired by Glencairn of Burnside, the sweepstakes bull of Canada; dam Highland Princess, by Imp. White Prince, sweepstakes bull at Chicago in 1893. There are also several other young bulls out of these cows, all of them choice animals, fit for service, and in the pink of condition. Any which have been mentioned are now for sale, and, considering their choice breeding and superior individuality, they should go quickly.
