

"IDEAL" FENCE----"MADE-TO-LAST"

When you invest good money in a wire fence you want that fence to LAST—to stay taut and staunch year in, year out, without needing repairs every spring. And you get fence that lasts when you choose "IDEAL" Farm Fence—it's made with you in mind—made to be THE fence for the man who invests his money wisely. Every inch of every "IDEAL" Fence is FULL SIZE STANDARD Number Nine Gauge hard drawn steel wire—tough, highly tempered, springy, heavy wire of the best quality possible. Some fencemakers use 9 gauge for the horizontals and softer, weaker wire for the stays—but not "IDEAL" Fence. It's ALL heavy hard wire—that's why "IDEAL" is the fence that outweighs all others; and THAT'S why you get more wire and more wear for your dollars when you buy this perfected farm fence.

Just Trust "Ideal" Woven Wire Fence
The galvanizing stays with it; the lock won't loosen under any strain a fence ever conceivably will have to stand; and the strength, the tautness, the springiness, the SERVICE is THERE—there every time in every foot of "IDEAL" Fence. Look into the matter carefully and you'll agree that here's the fence that WILL last.

Glad to send you details of all the many "IDEAL" styles—there's one for every fence purpose. Drop a card for catalog 121

FOR PEDIGREE STOCK either of annuals or seeds "The Old Country" (as the United Kingdom has always been known to her Daughter Dominions) is universally acknowledged as unrivalled. WHY NOT HAVE THE BEST TESTED PEDIGREE SEEDS? It costs no more to grow from Pedigree Seeds, than it does from unproved and inferior Seeds. The results with the former are gratifying, and remunerative, whereas they are disappointing with the latter.
