A HEALTHY SIGN

in the life of any publication is, First: the condition of its subscription list;
 Second: its class of advertisers. The Commercial has never enjoyed a more
 prosperous period than the present—particularly in the matter of new sub-
 scribers. The reason is not far to seek.

This journal's paid circulation is larger than that of any weekly trade
 newspaper in Canada, and in the middle and Western Canada its circulation
 is larger than the combined circulation of all other trade newspapers.

Advertisers in the Commercial get RESULTS. If you want business
 from the rapidly
 growing and best
 buying provinces
