

JUDSON'S CHEMICAL EXTRACT OF

CHERRY AND LUNGWORT,

FOR THE CURE OF Coughs, Colds, Hoarseness, Spitting of Blood, Night Sweats, Asthma, Liver Complaints, and CONSUMPTION.

DO NOT NEGLECT IT. CONSUMPTION Can and has been cured in thousands of cases by JUDSON'S CHEMICAL EXTRACT OF CHERRY AND LUNGWORT, and no remedy has ever before been discovered that will certainly

CURE CONSUMPTION.

The most strongly marked and developed cases of Pulmonary Consumption, where the lungs have become diseased and ulcerated, and the case so utterly hopeless, as to have been pronounced by Physicians and friends, to be past all possibility of recovery, have been cured by this wonderful remedy, and are now as well and hearty as ever.

Its operation is mild, yet efficacious; it loosens the phlegm which creates so much difficulty, relieves the cough, and assists Nature to expel from the system all diseased matter by expectoration, producing a delightful change in the breathing and chest, and thus, after the prescriptions of the very best medical men and the investigations of kind and nursing friends and Nurses, have failed to give the smallest relief to the Consumptive sufferer.

THOUSANDS OF CONSUMPTIVE

persons have been deceived repeatedly in buying medicines which were said to be infallible cures, but which have only proved palliatives, but this medicine is not only a palliative but a cure for ulcerated lungs. It contains no deleterious drugs, and one trial will prove its astonishing efficacy better than any assertions or certificates in curing consumption and all diseases of the Lungs, such as Spitting of Blood, coughs, pain in the side, night sweats, &c. &c.

About 1000 certificates of most miraculous cures, performed by this medicine, from some of the first Doctors, Clergymen, and Merchants, have been sent us for this medicine, but the publication of them looks too much like Quackery [will show them to any person, calling at our Office]. This medicine will speak for itself and enough in its own favour wherever it is tried.

CAUTION—This medicine is put up in a large bottle, and the name of Judson & Co., Proprietors, New York on the splendid Wrapper around the Bottle. All orders must be addressed to Comstock & Brother, No. 9 John Street, New York.

EAST INDIA HAIR DYE.

Colours the Hair, and not the Skin. This dye may be applied to the hair over night, turning the lightest RED or GREY HAIR to a dark brown, and by repeating a second night, to a bright jet black. Any person may, therefore, without the least possible trouble, keep his hair any dark shade or perfect black; with a positive assurance that the dye, if applied to the skin, will not colour it. By an occasional application, a person turning grey will never be known to have a grey hair. Directions complete with the article. There is no colouring in this statement, as one can easily test.

These facts are warranted by the gentleman who manufactures it, who is the celebrated Chemist, Dr. COMSTOCK, author of Comstock's Chemistry, Philosophy, and other works, and School Books, well known and widely celebrated by the public.

DEAFNESS.

Use Dr. LARZETTE'S ACOUSTIC OIL, for the cure of Deafness. Also all those disagreeable noises, like the buzzing of insects, falling of water, whizzing of steam which are symptoms of approaching deafness. Many persons who have been deaf for ten, fifteen, or twenty years, and were subject to use ear trumpets, have after using one or two bottles, thrown aside these trumpets, being made perfectly well. It has cured cases of ten, fifteen, and even thirty years standing of deafness.

Remember and ask for CARLETON'S CONDITION POWDERS, and take no others.

FOR MALE AND FEMALE.

DR. LARZETTE'S JUNO CORDIAL, or Procreative Elixir, prescribed as an effectual restorative in cases of Debility, Impotency, or Barrenness, and all irregularities of nature. It is all that it professes to be, viz: Nature's Great Restorative, and remedy for those in the married state without offspring. It is a certain cure for Seminal emissions, General Debility, Gleet, Weakness of the Genital Organs, Nervous Affections, Leucorrhoea or Whites. As an invigorating medicine it is unequalled. Also, a certain remedy for Incipient Consumption, Indigestion, loss of Muscular Energy, Physical Lassitude, Female Weakness, Debility, &c. It is warranted to please the user in any of the above complaints, and is of priceless value to those without offspring.

Caution to be carefully read and remembered. A counterfeit of this celebrated Juno Cordial has lately been issued, having the name of LEVI JUDSON on the wrapper. Remember that the counterfeit has the name of Levi Judson on the wrapper, and the genuine has NOT his name on the wrapper. JUDSON & CO., No. 9, John St., N. York, Agents in America. Established in 1814.

CARLTON'S LINIMENT FOR THE PILES, &c.

It is now used in the principal hospitals, and in the private practice in our country by an immense number of individuals and families, first and most certainly for the cure of the PILES, and also extensively and effectually as to baffle credulity unless where its effects are witnessed, Eastern Complaints. For Dropsy—Treating extraordinary absorption at once. Smellings—Reducing them in a few hours. Rheumatism—Acute or Chronic, giving immediate ease. Sore Throat—By Cancers, Ulcers, or Colds. Croup and Whooping Cough—Externally and over the chest. Bruises, Sprains and Burns, Curing in a few hours. Sore and Ulcers—Whether fresh or of long standing, and lever sores.

Its operation upon adults and children in reducing rheumatic swellings, and loosening coughs and tightness of the chest by relaxation of the parts, has been surprising beyond conception. The common remark of those who have used it in the Piles, is "It acts like a charm." It is warranted to please any person that will try it.

CAUTION—Never buy it unless you find the fac simile signature of Comstock & Brother, proprietors, on the wrapper of the genuine article. CAUTION—All of the above named articles are sold only in New York, by Comstock & Brother, No. 9 John St. Sold wholesale for the Proprietor in Nova Scotia at Morton's Medical Warehouse, Halifax, in Windsor by Mrs. Wiley; in Dartmouth by D. Farrell, and by one agent in every town in N. S. and N. B. Enquire for Comstock's Almanac for 1852 which is given to all gratis. 105 July 12.

TO INTENDING EMIGRANTS FROM NOVA SCOTIA. THE CANADA COMPANY would suggest to parties who may contemplate leaving Nova Scotia that the Western Section of Canada offers every inducement for them to settle there, rather than that they should proceed to the United States. In Upper Canada they will find a most healthy climate, and abundance of excellent land to be obtained upon easy terms from the Government and private landholders. The great success which has attended Settlers in Upper Canada is abundantly evidenced by the prosperous condition of the Farmers throughout the Country. By the success of many Settlers of New Brunswick and Nova Scotia who have settled in many Townships—and by the individual progress made by several thousands of people who have taken their leave from the Company. The Canada Company's Lands are offered by way of Lease for Ten Years; or for Sale Cash down. The price of 1-1/2 CASH and Balance in Instalments being four annuities.

The Rents, payable 1st February each Year, are shown in the Interest at six per cent, upon the Cash Price of the Land. Upon most of the Lots, when Leased, no Money is required down, will stip upon the others, according to locality. One, Two, or Three Years' Rent must be paid in advance, but these payments will see the Settler through for the first year, until the Second, Third or Fourth year of his Term of Lease.

The Settler has secured to him the right of converting his Lease into a Freehold, and of course, stopping payments of further Rents, before the expiration of the Term, upon paying the purchase Money specified in the Lease. The Lessee has thus guaranteed to him the entire benefit of his Improvements and accretions on the Land, should he wish to purchase. But he may, if he pleases, refuse to call for the Freehold; the option being completely with the Settler.

A Discount of Two per Cent. will be allowed for anticipated payment of the purchase Money for every acre purchased before the expiration of the Term of Lease. The Lessee has also secured to him the benefit of the Settler's Savings Bank Account. The direct trade now opening up between Upper Canada and Halifax presents facilities for cheap passage by the St. Lawrence to the upper Lakes, in the vicinity of valuable lands open for settlement.

Printed Papers containing full and detailed particulars, may be procured gratis from the Rev. E. Evans, Halifax, of whose permission the Company avail themselves to refer inquiring parties to him, as a gentleman long resident in Western Canada, and who will afford information respecting the Company's Lands, and upon Canada generally. Commissioners of the Canada Company's Office, Toronto, C. W., April 5, 1851.

THE ROAD TO HEALTH! HOLLOWAY'S PILLS.

CURE OF A DISORDERED LIVER AND BAD DIGESTION. Copy of a Letter from Mr. R. W. Kirkus, Chemist, 7, Prescott Street, Liverpool, dated 6th June, 1851.

To Professor Holloway, Sir,—Your Pills and Ointment have stood the highest on our sale list of Proprietary Medicines for some years. A customer, to whom I can refer for any enquiries, desires me to let you know the particulars of her case. She had been troubled for years with a disordered liver, and bad digestion. On the last occasion, however, the violence of the attack was so alarming, and the inflammation set in so severely, that doubts were entertained of her not being able to bear up under it; fortunately she was induced to try your Pills, and she informs me that after the first, and each succeeding dose, she had great relief. She continued to take them, and although she used only three Boxes, she is now in the enjoyment of perfect health. I could have sent you many more cases, but the above, from the severity of the attack, and the speedy cure, I think, speaks much in favour of your astonishing Pills. (Signed) R. W. KIRKUS.

AN EXTRAORDINARY CURE OF RHEUMATIC FEVER, IN VAN DIEMEN'S LAND. Copy of a Letter inserted in the Hobart Town Courier, of the 1st March, 1851, by Major J. Walch.

Margaret McConnan, nineteen years of age, residing at New Town, had been suffering from a violent rheumatic fever for upwards of two months, which had entirely disabled her of the use of her limbs, during this period she was under the care of the most eminent medical men in Hobart Town, and by them her case was considered hopeless. A friend prevailed upon her to try Holloway's celebrated Pills, which she consented to do, and in an incredible short space of time they effected a perfect cure.

CURE OF A PAIN AND TIGHTNESS OF THE CHEST AND STOMACH OF A PERSON 81 YEARS OF AGE. From Messrs. Thew & Son, Proprietors of the Lynn Advertiser, who can vouch for the following statement. August 2nd, 1851.

To Professor Holloway, Sir,—I desire to bear testimony to the good effects of Holloway's Pills. For some years I suffered severely from a pain and tightness in the stomach, which was also accompanied by a shortness of breath, that prevented me from walking about. I am 84 years of age, and notwithstanding my advanced state of life, these Pills have so relieved me, that I am desirous that others should be made acquainted with their virtues. I am now rendered, by their means, comparatively active, and can take exercise with an inconvenience or pain, which I could not do before. (Signed) HENRY COE, North Street, Lynn, Norfolk.

AN EXTRAORDINARY CURE OF THE GRAVEL, AND A MOST DANGEROUS LIVER COMPLAINT. Copy of a Letter addressed to J. K. Heydon, Esq., Sydney, New South Wales, dated February 24th, 1851.

Sir,—A Mr. Thomas Clark, a Settler at Lake George, was for a considerable time seriously afflicted with a complaint of the Liver, together with the Gravel. His medical attendants, after trying all their skill, could do nothing to relieve him; his case was hopeless, and any further efforts useless. In this situation, and when expecting every day would terminate his existence, a friend recommended him to try Holloway's Pills, and as a forlorn hope he did so; the first dose gave him considerable relief, he therefore persevered in taking them according to the directions, and is now restored to perfect health. He will feel great pleasure in confirming this statement, or even make an affidavit to the same effect, should it be required. (Signed) Wm. JONES, Proprietor of the Gouthern Herald, New South Wales.

WONDERFUL EFFICACY OF HOLLOWAY'S PILLS IN CASES OF DROPSY. Persons suffering from Dropsy, either about the turn of life, or a later time, should immediately have recourse to these Pills, as hundreds of persons are annually cured, by their use, of this distressing complaint in its different stages, when all other means had failed.

These celebrated Pills are wonderfully efficacious in the following complaints: Female Irregularities, Sore throats, Scrofula or King's Evil, Stomach and Gravel, Secondary Sympoms, The Dolereux, Tumours, Ulcers, Venereal Affections, Worms, all kinds, Weakness from whatever cause, &c.

Directions for the Guidance of Patients are affixed to each pot of Pills. Sub Agents in Nova Scotia—Dr. Harding, Windsor Mrs. Neil, Lunenburg, F. R. Patten, Liverpool, N. T. P. AMERICAN Temperance Life Insurance Company, Capital \$100,000.

HARTFORD, CONNECTICUT. MUTUAL COMPANY. Incorporated by the State of Connecticut, and officially approved by the Comptroller of Public Accounts.

J. Burton, Agent for Nova Scotia. THE Friends of Temperance in the above State have recently procured a Charter for a Life Insurance Company, with a view to insure the lives of Temperance men, by themselves, that they may secure the advantages of their temperance principles, without being subject to pay losses incurred by intemperance.

Table with columns: For Life, Ann. Prem, With Profit, Age, Amt. Rates of Assurance for each £100 on a Single Life.

It is a well settled fact in the history of Life Insurance Companies that full twenty five per cent of their losses are traceable to the remote or direct influence of alcoholic stimulants upon the human system. Total abstinence men, if insured in common with men who habitually use intoxicating liquors as a beverage, of course are compelled to share in paying losses incurred by their practice. They do not insure them upon an equality with other men.

It is the design of our Company to insure none but temperance men, and to give them the full benefits of their temperance principles, both in the reduced rates of insurance and the full earnings of the Company, after deducting expenses. We have been with appended our table of rates. It will be seen that they are twenty five per cent lower than the rates of most mutual Companies. Our premiums are to be paid in cash, but if upon our present rates, it shall be found that we propose paying all profits in cash annually after the usual fund of \$200,000 has accumulated.

In this Company those who are insured for life, and thus propose to share the profits of the business, not only have the same security furnished by the best conducted Mutual Companies, but they have the entire earnings of the Company on the low rates, after deducting expenses; and in addition to this, every dollar of the capital (\$100,000) is liable for the payment of losses. This, we believe, affords abundant security to the public, and presents decided advantages over any other Company in the country, for there is none to our knowledge, organized upon this plan.
