LAWRENCE PARK HOMES ARE BEAUTIFUL HOMES

Build Your Home Where You Would be Glad to Live

Seek no further after you have seen Lawrence Park. It is the ideal spot for a comfortable and artistic residence. Has every convenience a city home would have—water, gas, electricity, sewers, sidewalks, roadways, a postal delivery, and a ten-minute car service. You will never tire of the beauty and healthfulness of

LAWRENCE PARK

Since the Park has been incorporated into the city, prices may be expected to advance soon. Purchases before January 1st, 1913, will be allowed at old prices. Write for our handsome Book of Views in Lawrence Park.
