“In a great many instances The Grocer has been a factor in helping us to save many dollars. Of all the business papers received in our office, it gets closest attention from our buyer.”

The above is from a letter written us by a well-known Quebec firm.

“I always enjoy reading The Grocer, and never miss going through it carefully, taking particular care to watch the market quotations. I have been able many times to buy to advantage as a result of information which it gave me.”—Victoria, B.C.

“We assure you that we appreciate The Grocer very much, because of the many helpful suggestions contained in it. The fact that we have started to cut out the helpful things from week to week, and paste them in a scrap book, is an evidence of our appreciation.”—Sydney, C.B.

“I am sending you a chart showing my method of keeping track of purchases and expenses, cash received, etc. It has saved me pounds and it keeps me from going beyond my means. I sincerely hope it will be of help to my fellow tradesmen your side of the water. I thank you for the helpful hints given in The Grocer. The paper beats any on this side.”—East Ham, England.

“Not long ago I saved ½ cent per pound on a large shipment of prunes through promptly reading The Grocer's market quotations.”—Brandon, Man.

“We always feel that we can rely on quotations and statements made in The Canadian Grocer.”—Edmonton, Alta.

“We believe The Grocer saves us a great many dollars in the course of a year. We consider the information it contains is very reliable, and, in a general way, a guide to buying.”—Montague, P.E.I.
