HARNESS OF QUALITY

WE BUILD OUR HARNESS FIRST AND FIGURE THE PRICE AFTERWARDS

\$69.25

"Premier" High Grade Custom Made Farm Harness with 5 Ring Breaching
1 1/2 in. Traces. Japan and Brass Trimmings

This harness represents quality, the true standard of value, and is made throughout of genuine
dark tanned leather, all parts being carefully selected and made, so that for all kinds of heavy
trading we highly recommend it.
Bridle—4 inch cheeks, extra strong, quartered face plate, brass mouthpiece.
Lips—1 inch. Made from fine selected stock as without in thickness as it is possible to get;
full length and weight.
Traces—Considered the most important part of a harness, are not extra heavy, from selected
trace cloth, 1 1/2 in. wide, 6 ft. 4 in. long, with long chains.
Bellybands—Heavy buckled, 1 1/2 in.
Girths—All short, 10 lbs., brass bell top, brass line ring, full steel, heavy brass straps.
Breaching—Heavy, buckled, 1 1/2 in.; full length leaper, long loop leaper, with straps 1 in.
with straps, long straps 4 in., hip straps 1 in., double swelled safety on leaper, all straps 1 in.,
breaching to harness through loop on pad.
Great Straps—Extra heavy, 1 1/2 in., with extra straps, martingales, 1 1/2 in.
Martingales—Double and single, heavily reinforced, brass spotted, as illustrated; with brass breaching
hooks, trace have hole and line ring. Weight of harness packed for shipment, about 50 pounds.
No. 661—Premier Custom Made 5 Ring Breaching Harness, line outfit
