In addition to the foregoing, we won a large number of other prizes, totalling over 200 ribbons in all.

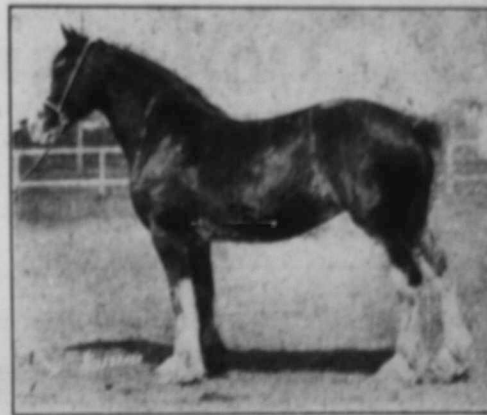

"MAGGIE FLEMING," 15445; sire, "Royal Chattan," 5925; dam, "Meg of Fenock Maine," 11035. Another of our mares which has won her share of Championship ribbons in Western Canadian show-rings. "Maggie Fleming" is acknowledged by well-known judges to be one of the best types of the Clydesdale brood mare in Canada today.

The above record of winnings cannot be duplicated by any Clydesdale establishment on the American Continent today.

We have other mares whose show-ring records approach close to this pair and our whole establishment of breeding females is acknowledged to be one of the largest and finest in Canada today. We aim by careful breeding, assisted by the finest of natural environment, to produce the Scottish Drafter of the best type, with true action, and sound underpinning, upholding the best of tops, first, last and all the time; bred only for these qualities and fed only for these qualities. We have always on hand pure-bred stallions and mares, all ages for sale, also a large selection of high-class grade fillies and geldings, singly, in teams, or car-load lots.

Our Prices are Right.

"NELL OF AIKTON," 28824; sire, "Baron of Buchlyvie," 5353; dam, "Jean of Aikton," 29140. This mare has had an almost unbroken series of Grand Championships wherever she has been shown.
