SOME FACTS ABOUT FIVE NATION TRIBE

They Were Friendly to the Whites and Bore a Good Reputation.

The Pecuniary Claims Convention of Washington have awarded the Cayuga Indians \$300,000, which, with the accumulated interest for 70 years, amounts to over \$1,000,000. This money is for the lands the Cayugas claimed they were dispossessed of at the time of the American Revolution.

Joined the Mohawks At the outbreak of the revolution the Cayugas joined the Mohawks and Senecas in alliance with the British against the Americans and shared in the devastation of their property.

At the end of the war the most of them settled in Canada, with the rest of the Iroquois, around Niagara. In 1789 they made their first formal cession of territory to the whites, confirming it by a treaty at Fort Stanwix in 1790. In 1795 by a treaty at Cayuga Bridge they ceded their great reserve in the Cayuga basin and the river valley.
