The Girls' Meeting of the Moyle Tract Institute was held at the home of Mrs. Crichton, St. George Road on Wednesday afternoon.

After the usual opening, a very interesting program was given by the girls.

A piano solo by Miss Ethel Greenwood was much enjoyed, followed by a recitation by Miss Marjory Osborne, which proved very entertaining. Another piano solo by Miss Lydia Greenwood was much appreciated, then a recitation by Miss Rosalind Sharp.

A demonstration in candy making was given by Miss Grace Brittain. During the afternoon the ladies had the pleasure of welcoming two of their former presidents, Mrs. Lane of Sioux City, who gave an interesting talk on the history of this Branch Institute, and Mrs. McVicar of Toronto who also gave an interesting talk. All present thoroughly enjoyed the social time and the dainty lunch served on the lawn by the hostess.

The meeting closed with the National Anthem.

## HORSESHOERS' ASSOC. HELD ANNUAL PICNIC AT MOHAWK PARK

AFFAIR WAS A PROVINCIAL ONE: MEMBERS WERE PRESENT FROM ALL OVER ONTARIO—THE LIST OF RACES WAS A MOST INTERESTING ONE—THE WINNERS.

What was perhaps one of the best picnics ever held at Mohawk Park was the annual outing of the Master Horseshoers' Association of Ontario, held on Saturday afternoon.

The weather was ideal for such an occasion outside of a little shower in the early part of the afternoon. This picnic was not a local one by any means, there being members of the Association from all over the Province, from as far east as Peterboro, others from London, Woodstock, Hamilton, and not a few from Toronto, also from villages surrounding the city.

This picnic speaks well for Mohawk Park as being a picnic ground, and since the improvements that have recently been made, there is no better park for such a purpose in Western Ontario.

Having a long list of races and games to run off, those in charge were not slow in getting things started. The first event of the afternoon was a softball game between two teams picked from those present. The captains of the teams were Jim Hamilton and T. Fowler, the former's team winning by the score of 13 to 12.

The list of races and the winners were as follows:

Boys Race—10 yards and under—Walter DeGier.

Girls—10 years and under—1st Olive DeGier; 2nd Irene Springle.

Boys—5 years and under—1st J. Cohome; 2nd A. Turner, 3rd A. Jade.

Girls—5 years and under—1st M. Gladstone, 2nd E. Miller, 3rd Werna Bradford.

Boys—15 years and under—1st H. Hicks, 2nd L. Anderson, 3rd W. Miller.

Girls—15 and under—1st I. Colquhoun, 2nd M. Miller, 3rd Olive DeGier.

Blacksmiths' Wives race—1st Mrs. Albert, 2nd Mrs. McLean, 3rd Mrs. Murray.

Ball Throwing Contest—1st Mrs. Wherry, 2nd Pearl Gardner, 3rd Ruby Gardner.

### Golf Notes

### TENNIS

The final round of the Brantford Tennis League championship, was played off at the Echo Place Courts on Saturday last, the finalists being Echo Place and Bell View. Owing to the number of teams entered, the League was divided into two sections, which were keenly contested. The Echo Place and Bell View clubs winning their respective leagues, these two clubs were scheduled to play three rounds to decide the league championship, home and home games, and final on a neutral court.

The results have been the same in every round. Bell View winning the singles and Eagle Place annexing the doubles. The clubs are now tied for the championship. A goodly number of spectators were on hand to witness the finals on Saturday, which resulted as follows:

J. D. Ansell of Bellview defeated G. Berry of Echo Place 6-2-6-8-6-3.

G. Edmondson and G. Berry of Echo Place defeated M. Liitch and G. Warr of Bellview 6-2-6-4.

G. H. Rorer officiated as Umpire in his usual efficient manner.

After supper the guests of the afternoon expressed themselves as having a great time, one that they will remember for a long time. The affair was without doubt the most successful one ever held by the Association and it is hoped that they will soon visit Mohawk Park again.

Among the officers of the association who were in attendance were: T. R. Geary of Toronto, Provincial President; McDonough, Peterboro, vice-president; R. Hyslop, Hamilton, secretary; E. T. Hicks of Paris, the secretary of the association.

## GERMANS HELD WEST OF THE DVINA RIVER

German Advance Now Centers on the Efforts of Von Hindenburg.

By Special Wire to the Courier.

London, Aug. 16.—Military operations in the eastern field are developing slowly. Both sides show the effects of the intensity of the Warsaw struggle. The German advance now centers on the efforts of Field Marshal Von Hindenburg to force troops across the Dvina and eastward in the general direction of Petrograd and the near approach of the army of Prince Leopold of Bavaria to the new Brest-Litovsk defence. Notwithstanding the steady pressure of the Germans, Russians have succeeded thus far in holding them west of the Dvina.

The Balkan crisis is drawing near a climax. The national assemblies of Serbia and Greece meet to-day, with the probability of a definite decision as regards Bulgaria's territorial demands, upon which hinge the question of united action of the Balkan states with the allies.

In the best posted quarters here the outlook is regarded with a degree of pessimism. It is expected Serbia will seek a compromise and Greece will reject the Bulgarian contentions. Reports from Athens indicate that King Constantine is insisting the new cabinet must maintain strictest neutrality, the effect of which would be to withhold Greece from participating in a plan of United Balkan co-operation with the allies.

In the meantime there are many evidences of Austro-German preparations to deal with the Balkan situation. According to information from Bucharest, German army corps have been concentrated near the junction of Hungary, Roumania and Serbia. This, with the bombardment of Belgrade and the activity of Austrian artillery at many points along the Danube, lends support to reports of a great Austro-German offensive in the Balkans.

The outcome of the crisis is awaited most anxiously, as determining whether the allies will receive new support from the Balkans and whether Germany's supplies of ammunition for Turkey will continue to be shut off by the Balkan barrier.

Bulgarian officials do not expect an agreement will be reached, but the Serbian minister at London, M. Boshkovitch, told the Associated Press he believed a middle ground would be found on which it will be possible to unite the Balkan states.

## WILSON'S REPLY COMMANDED BY THE PRESS

Austrian Protest Got All That Was Coming to it.

New York, Aug. 16.—Commenting editorially on the United States reply to the Austrian protest on exports of munitions the World this morning says the note "leaves no spot on which to peg the slightest question," and adds: "What is demanded is something neutral nation a duty to sit in judgment on the progress of a war to restrict its commercial intercourse with a belligerent whose naval successes prevented the neutral from trade with the enemy."

"And if trade in munitions, why not also trade in food and clothing. It is a novel principle propounded by the dual monarchy; so novel indeed, as to make it ridiculously impossible."

The Herald says:

"For the immediate purpose it would have been sufficient for the United States to have merely reminded Austria-Hungary that the sale by American merchants of munitions and other war supplies does not infringe in even the slightest degree this nation's neutrality—while the contrary course urged by the Vienna Government would, for this is as clearly understood in Vienna as it is in Washington. It is well however, that President Wilson has seen fit to set forth in this official note to Austria-Hungary a frank and full presentation of the reasons impelling the United States Government to remain true to principles or which it has always stood."

"The course the United States is following is not only strictly neutral and morally right, but is demanded by every consideration of national defence."
