A Start in the Right Direction

The temptation to
spend money in your
pocket is greater than
when your money is in a
savings account in the
bank. That margin of
temptation may mark the
difference between an
opportunity to go into
business later on or of
working for wages with
nothing saved and nothing
ahead at the end of
your working years.

Why not open a sav-
ings account in The Bank
of Nova Scotia to-day?

Your account will be
welcomed and you will
have made a start in the
right direction.

LOCAL AND PERSONAL ITEMS

A happy event took place in the
Methodist church on Wednesday last,
when Miss Mollie K. Oddy became the
bride of Harold Baldwin of Douglas-
field. The pastor, Rev. Hugh Miller,
performed the ceremony. The church
had been prettily decorated for the oc-
casion by girl friends of the bride.
Following the ceremony the bridal
party and guests proceeded to the
home of the bride, where a delicious
wedding luncheon was served. Af-
ter a pleasant hour the bride and
groom left by auto for Fredericton,
and thence to Douglasfield where they
will in future make their home. A-
mong out of the town guests were Mr.
and Mrs. Baldwin, parents of the
groom; Mr. and Mrs. James Gibson,
Woodstock; Mr. and Mrs. Robert
Smith and Mr. and Mrs. Havelock
Wilson, Lakeville; Mrs. John Humble
and Miss Dorothy Humble of Lake-
ville.

On Saturday night about 12.30 an
old resident of Centreville, John Cor-
mier, after a period of failing health,
passed away at his home here. De-
ceased was about 80 years of age and
came here with his family from East
Florenceville over 30 years ago, since
which time he has been a resident of
this town. His wife predeceased him
a few months. He leaves to mourn
three sons, Gordon, Rex and Sam,
and four daughters, Mrs. F. R. Mc-
Lean and Mrs. D. W. Perkins of Cen-
treville, Mrs. J. C. Burt and Mrs. El-
mer Fulton of Bridgewater. The fun-
eral services were held on Tuesday
from his late home and interment
made in the family lot in the U. B.
cemetery.

On Friday the members of Haulton
Commandery held a Field Day at Is-
land Park, Woodstock, where they all
laid dull care aside and had a good
time. All the local Knights Templar
were invited and attended in a body
and the general consensus of opinion
gave it that all had an extra good
time.

Entertainment for the past week
consisted of a company of amateurs
from the B. C. A. Bridgewater, on
Wednesday evening and a travelling
company of amateurs on Thurs-
day evening. The weather was a bit
too humid to encourage any very
large attendance at either program.

Jewelry Awaiting Purchasers

A note of interest from London con-
cerns a pearl necklace, valued at \$1,
500,000, which is in London awaiting
sale. It is probable that the necklace
will be offered by public auction. The
pearls are remarkable not only for
their size, but for their delicate tint-
ing. There is at the present time much
very valuable jewelry in process of
realization on behalf of Russian and
other owners, who have no option but
to convert it into cash.

Some Cheese

Tillamook county, Oregon, expects to
make and sell over 5,000,000 pounds of
cheese this year.

When You Are Away from Home

Can you leave home with the assur-
ance that a thunder storm will not
destroy it before your return?

The man whose house and barns
are protected against damage by light-
ning by Dodge's Struthers' System of
Lightning Protection enjoys absolute
freedom from worry. He stands no
possible chance of loss by lightning.
For more than 30 years the Dodge Sys-
tem has stood good. It is guaranteed
absolutely. The dreaded season of
disastrous storms is here. Ask me to-
day what it will cost to put your prop-
erty in the "safe" class by installing
the Dodge & Struthers System. Re-
member your terms will suit me.
