the spinal cord will cause Paralysis to the ody below the injured point, because the ases are due to the imperfect action of the erve centres at the base of the b ain, and not

om a derangement primarily originating in the organ itself. The great mistake of Physicans in treating these diseases is that they eat the organ and not the nerve centres, hich are the cause of the trouble. The wonderful success of the GREAT SOUTH AMERICAN HERVINE TONIC is due to the fact that it is based on the foregoing principle.

It is an unfailing cure for all Nervous Diseases, uch as Nervous Debility, Prostration, iloeplessness, Headache Dizziness, Hys-eria, Sexual Debility, Epilepsy, St.
