TOWN COUNCIL

Two Meetings Held During
the Past Week

TELEPHONE MATTERS

Permission not Granted to
N. B. Tel Co. to erect
Poles

A meeting of the Town Council
was held on Friday evening. His
worship Mayor Murray presiding,
the full board being present.

A communication from Messrs
McAllister & Mott was read by
the Mayor, acknowledging receipt
of notices in re Duncan case arbi-
tration and calling attention to the
fact that no offer had been made
by the town to Messrs. Duncan.
Request was made that this
should be done before the case
was carried any further. A
second letter was also read from
McAllister & Mott covering the
same ground as the first.

A letter was read from Mr. Wm.
Murray solicitor for the N B Tele-
phone Co., giving notice that this
company intended running lines
in the town, and asking that
permission be given for the erection
of poles under the supervision of
the Public Property and Street
Committee.

Mr. H. F. McLatchy, the town's
solicitor, was heard in connection
with the communications from
Messrs. McAllister & Mott. He
thought it unwise to discuss the
matter in open Council but would
be pleased to meet with any com-
mittee or any member of the
Council and give them any infor-
mation desired.

The communications were re-
ferred to the special Arbitration
Com.

Mr. Murray next addressed the
Council on the application from
the N B Telephone Co. to erect
poles in the town, and pointed out
the advantages to the business
men of having this company's lines
in Campbellton.

Coun. Blackhall called attention
to the fact that the Central Tele-
phone Co. had recently purchased
the local system and were making
improvements. This company
were under contract to meet a
Quebec company at Matapedia,
thus giving direct communication
with Quebec and Montreal. They
also intended connecting with
Newcastle, the Bathurst system
being recently bought out with
that end in view. Then there
was the question of overcrowding
of poles on Water and other streets
if the N. B. company were given
permission to enter the town.
Already both sides of many of
our streets were lined with poles,
on one side the telephone poles

Mr. Thos. Roy Honored
on the Eve of His
Departure

Last Monday evening the Young
People's Society of the Baptist
Church gave a social in honor of
Mr. Thomas Roy, one of their
members, who is leaving the town
for the purpose of pursuing a course
of study at Horton Collegiate Ac-
ademy, Wolfville, N. S.

The Church Vestry was taste-
fully decorated for the occasion.
The congregation was well rep-
resented by both old and young and
all conspired to do honor to their
guest.

A brief entertainment was given
consisting of readings by Miss
Mary Richards and Miss Wild of
Montreal, and duet by Misses Aggie
Patterson and Mattie Richards.
All acquainted with these talented
young ladies will not need to be
told that all parts of this pro-
gramme was well rendered.

After ample justice had been
done to the Ice Cream and Cake,
Mr. Roy was presented with a
purse and the following address:—

Dear Brother Roy,
It is with unguled feelings
of regret and pleasure that we are
met here on the eve of your de-
parture from our town to say fare-
well to you.

During the two years that you
have sojourned in Campbellton you
have won the respect and esteem
of all classes of citizens who have
been fortunate enough to have
made your acquaintance. But it
is to this Church that you have
especially endeared yourself. Com-
ing to the town you brought your
church letter with you, as all loyal
Baptists ought to do, and becoming
one with us you have ever been
willing to bear your share of toil
and responsibility. In the Young
People's Society and in the Choir
you have rendered most efficient
and acceptable service, and by
both of these institutions as well
as by the Church in general, you
shall be gratefully remembered and
greatly missed.

We deeply regret your departure
and especially do we regret the
shadow that has been cast over
your pathway by the accident that
has befallen your father, but trust
that may not prove so serious as
is at present feared.

We said at the opening of this
address that our feeling of regret
at your departure was tempered by
joy, and now let us say that this
joy results from the purpose that
is taking you away. We are glad
that you are going from us to
college where you are to prepare
yourself for greater efficiency in
the Lord's work, and we trust that
you shall be able to give as good
an account of yourself in the Ac-
ademic halls as you have in the
workshop and in your Church and
social relations. Indeed we know
that you will do conscientious work
and honest, hard work always
brings its reward.

And now dear brother, as a
further token of our regard, please
accept this purse. It is not large
in itself, but be assured that it is
accompanied by our most hearty
sympathy and best wishes for a
bright and useful career in the
service of Our Lord and King.
Yours faithfully,
On behalf of the C'ton Baptist
Church, J. W. Keirstead,
C'ton., N. B., Aug 28, 1905.

Mr. Roy made a very feeling and
suitable reply in the course of
which he expressed the surprise he
felt at being thus honored when he
had done so little as compared
with what he felt he might have
done. His plans were a little
unsettled by the accident that had
overtaken his father, but he hoped
to be able to realize that all things
work together for good to those who

A GOOD RUN.

Lady Eileen Makes Trip
From Gaspé in 18
Hours.

The Lady Eileen arrived in port
on Monday afternoon at five o'clock
from Gaspé with a very large
passenger list and cargo. Quite a
large number made the round trip
in her, and were enthusiastic over
the scenery and the fine service
given.

Passing Perce at one o'clock in
the morning, the powerful search-
light was turned on the famous rock
and it was a scene not soon to be
forgotten, the rock standing out in
all its majesty in the light, with
the inky night for a background,
and the birds, of which there were
myriads on the rock, protesting
against being awakened from their
slumbers.

The Lady Eileen made the run
from Gaspé in 18 hours, the fast-
est on record in the Bay Chaleur.

FOR TRACADIE.

B. C. Government Wish to
Send Lepers to
Lazaretto.

A communication has been re-
ceived at the department of
agriculture from the government
of British Columbia, suggesting an
arrangement whereby the provin-
cial leper colony at D'Arcy Island,
a few miles from Victoria, may be
transferred to Tracadie, N. B.
There are six or seven Chinese
lepers on D'Arcy Island, and while
they are well housed and fed, they
are not receiving that attention
which they should get, because it
is impossible to induce any respon-
sible person to go and look after
them. In the event of the Do-
minion Government, according to
the request, the British Columbia
authorities promise that the cost
of transportation will be defrayed
by that province.

love the Lord, and wherever he
should go, or whatever he should
undergo; he hoped to prove himself
worthy of the confidence and
esteem that was being shown him
this evening.

After the singing of "Blest Be
The Tie That Binds" the company
said good bye to Mr. Roy and the
pleasant function was brought to a
close.

WAR IS ENDED

Japan Waives Indemnity
And Interned Vessels

GREAT MORAL VICTORY

Diplomatic Triumph for
Witte—Treaty Ready
in a Week

PORTSMOUTH, N. H., Aug. 29.—
The peace conference arrived at a
complete accord today on all ques-
tions and decided to proceed to the
elaboration of a treaty.

The Japanese practically yielded
everything. They accepted the
Russian ultimatum. No indem-
nity, and a division of Sakhalin
without payment of redemption
money. The Japanese yielded
interned warships and limitation of
naval power.

The delegates will be called in
afternoon session and the actual
work on the preparation of the
treaty will be begun.

ST. PETERSBURG, Aug. 30.—"A
great diplomatic victory for M.
Witte but a great moral victory
for Japan," is the verdict of
Prince Oukhtomsky in his editor-
ial in the *Viedomosti* today. He
says: "Notwithstanding the diffi-
cult circumstances under which
the negotiations commenced, M.
Witte carried out his task with the
greatest skill, and obtained from
Japan the utmost she was pre-
pared to give. More we would
have to give, but though M. Witte
wrested out of defeat these ad-
vantageous terms the moral ad-
vantage rests with Japan. She
will be recognized in the eyes of
the east and of Europe as the
victor, and she has acquired a
predominate position in Asia,
while Russian prestige has suffered
a correspondingly heavy blow."

LONDON, Aug. 30, 12.43 p. m.
The news of the conclusion of
peace at Portsmouth, N. H., yes-
terday, reached London so late last
evening that with the exception of
official and diplomatic critics and
those who were in the city at a
late hour, the announcements in
the morning papers came as a
complete surprise. Even many
cabinet officials and other high
officials were ignorant of the mo-
mentous event until today, as
these who compose the official and
social circles in England are now
gathered around the moors, some
of them out of reach of the tele-
graph. With her general public
the news was received with the
greatest satisfaction and admir-
ation for Japan's "sacrifices in
the cause of peace."

In this connection the *Pail Mall*
Gazette says:—"The enlarged
treaty with England may have
had a considerable weight in per-
suading the Mikado and his ad-
visors that Japan's position in the
Far East is now practically im-
pregnable and that peace may be
made without pressing for the
payment of the indemnity."
