THE MEDICAL ADVISER on the physical decay of the system produced by delusive excesses, infection, the effects of climate, &c.; with remarks on the treatment practiced by the Author with such unvarying success, since his settlement in this country. Dr. De Roos, from long practical experience in the most celebrated institutions of this country and the continent, has had, perhaps, unusual opportunities of observing the peculiarities relating to the physiology, pathology, and general treatment of the disorders referred to in the above work, and having devoted his studies almost exclusively to this class of diseases, he is enabled confidently to undertake their removal in as short a time as is consistent with safety.

PERSONS IN ANY PART OF THE WORLD may be successfully treated by forwarding a correct detail of their case, with a remittance for Medicines, &c. which will be returned with the utmost despatch, and secure from observation.

Discharges of any kind, and Diseases of the Urinary Organs generally, which if neglected, frequently result in stone in the bladder, and a lingering, painful death. They agree with the most delicate stomach, strengthen the digestive organs, increase the appetite, improve the general health, and will effect a cure when other medicines have utterly failed. Price 4s. 6d., 11s., & 22s. per Box, through all Medicine Vendors.

Commissioners have directed the words "WALTER DE ROOS, LONDON," to be printed in white letters on the Stamp affixed to the above, to imitate which is felony.

AYER'S Cathartic Pills, (SUGAR COATED.)

CLEANSE THE BLOOD AND CURE THE SKIN. Invalids, Mothers, Mothers, Physicians, Philanthropists, read their Effects, and Judge of their Virtues.

FOR THE CURE OF Headache, Sick Headache, Foul Stomach.

Dr. J. C. AYER, Sr. I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a food-stomach, which they cleanse at once. If they will cure others as they do me, the fact is worth knowing.

Yours with great respect, ED. W. FRENCH, Clerk of Boston Clerks.

Bilious Disorders and Liver Complaints. Dr. AYER'S PILLS.

Sir: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangement of that organ. Indeed, I have seldom found a case of bilious disease so obstinate that it did not readily yield to them. Fraternally yours, ALONZO BALL, M.D., Physician of the Boston Hospital.

Dysentery, Relax, and Worms. Four OFFICE, HARTLAND, L.V. Co., Mass., Nov. 16, 1856.

Dr. AYER: Your Pills are the perfection of medicine. They have done my wife more good than I can tell you. She had been sick and pining away for months. Went off to be doctored at great expense, but got no better. She then commenced taking your Pills, which soon cured her, by expelling large quantities of worms (dead) from her body. They afterwards cured her and our two children of bloody dysentery. One of our neighbors had it bad, and my wife cured him with two doses of your Pills, while others around us paid from five to twenty dollars doctors' bills, and lost much time, without being cured entirely even then. Such a medicine as yours, which is actually good and honest, will be prized here. GEO. J. GRIFFIN, Farmer.

Indigestion and Impurity of the Blood. From Rev. J. V. Hines, Pastor of Advent Church, Boston.

Dr. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood they are the very best remedy I have ever known, and I can confidently recommend them to my friends.

WARREN, Vermont Co., N. Y., Oct. 24, 1856. DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the fountain of the blood. JOHN G. MEEHAN, M.D.

Erysipelas, Scrofula, King's Evil, Tettes, Tumors, and Salt Rheum. From a Female Friend of St. Louis, Mo., 4, 1856.

Dr. AYER: Your Pills are the purgative of all that is great in medicine. They have cured my little daughter of scrofulous sores upon her hands and feet that had proved incurable for years. Her mother has been long previously afflicted with blotches and pimples on her face and in her hair. After our child was cured, she also tried your Pills, and they have cured her. ASA MORRIS, D.D.

Rheumatism, Neuralgia, and Gout. From the Rev. Dr. Hensley, of the Methodist Epist. Church.

PETERSBURG, SAVANNAH, Ga., Jan. 6, 1856. HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neuralgia pains, which could not be cured by any means. Notwithstanding I had the best of physicians, the disease grew worse and worse, until, by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them I am now entirely well.

SEANAN CHAMBER, BOSTON HOUSE, N. Y., Dec. 1856. Dr. AYER: I have been entirely cured by your Pills of Rheumatic Gout—a painful disease that had afflicted me for years. VINCENT SHILLI.

For Dropsy, Plethora, or Induced Constipation, requiring an active purge, they are a constant remedy.

For Constiveness or Constipation, and as a Dinner Pill, they are agreeable and efficient. For Flatulency, Paralysis, Inflammation, and even Deafness, and Partial Blindness, have been cured by the alternative action of these Pills.

Most of the pills in market contain Mercury, which, although a valuable remedy in skilled hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

AYER'S CHERRY PECTORAL

FOR THE RAPID CURE OF COUGHS, COLDS, HOARSENESS, INFLUENZA, BRONCHITIS, WHOOPING COUGH, CROUP, ASTHMA, INFLAMMATORY CONSUMPTION, and for the relief of consumptive patients in advanced stages of the disease.

We need not speak to the public of its virtues. Throughout every town, and almost every hamlet of the American States, its wonderful cures of pulmonary complaints have made it already known. It is the most powerful medicine yet known to cure the most obstinate and dangerous diseases of the pulmonary organs, it is also the pleasantest and safest remedy that can be employed for infants and young persons. Parents should have it in store against the incursions of colds that lead to these diseases. We have abundant grounds to believe the Cherry Pectoral saves more lives by the consumption it prevents than those it cures. Keep it by you, and cure your child while they are healthy; and you will find that no human skill can measure the incalculable number that, fastened on the vital, save your life every day. All know the dreadful facility of lung disease, and as they know too the virtues of this remedy, we need not do more than to assure them it is still more so than it can be. We spare no cost, no care, no toil to produce it in the most perfect manner, and thus afford them the only one that is the best agent which our skill can furnish for their cure.
