PROVINCIAL AND WORLD'S NEWS

Hon. J. K. Fleming and others will address the R. L. Borden Club at their rooms, Charlotte Street, St. John to-night at 8 o'clock.

George F. Emery, an old and respected resident of West St. John, died at his home on Monday. Dr. Emery, of St. John, is a son.

Judge Charbonneau fixed Dec. 12 or 13 as date of hearing of preliminary objections in the Chateaugay election protest.

Mr. John Jones, of Clark Settlement, who was accidentally shot by his son Friday last, died at the Fisher Memorial Hospital, Woodstock, Sunday evening.

Magistrate Ritchie, St. John, imposed a fine of \$500 on Dudley Keith, in his Court there Friday, for non-support of his wife and family. The fine was allowed to stand.

Ex-Alderman Robert Morrow, a member of the hardware firm of William Stairs Son and Morrow, Halifax, died at a private hospital on Saturday evening, after a week's illness, following an operation for appendicitis.

British suffragettes have started to throw hammers at judges on the bench who sentence their sisters for criminal acts. Britain may yet be forced to revive the ducking stool and the stocks.

Max Boudreau, sixteen year old son of Oliver Boudreau, Middle Sackville was seriously injured Friday morning when he fell from a truck wagon on which he was riding, the hind wheel passing over his head, fracturing his skull. The young man is not expected to recover.

JOLLY JINGLES FROM ST. NICK

As we write the snow is falling, and soon the Jolly Jingles of St. Nick's Bells will be heard. We have received his "Wireless" and as usual Our Store will be his favorite Emporium.

Here you may find:

A most elegant and exclusive line of Calendars, X'mas Cards, Booklets, X'mas letters, &c.

A very select line of Books for the Grown ups and Youths by the best authors.

Stationery which is the ne plus ultra of Canadian excellence. Confectionery in Fancy Packages and in bulk from the best Manufacturers in Eastern Canada.

Also Dolls, Toys, Games and Fancy Articles too numerous to admit of mention.

Be wise, come early—the Rush at the last is inevitable.

Follansbee & Co's

CATTLE AND HOGS NEEDED FOR MARKET

Scarcity and High Price of Meats Point to Profitable Opening For Our Farmers

In the high price of meats and the scarcity of cattle, sheep and hogs the Canadian farmer has a strong incentive to go in for livestock where he has not done so before, and to go in on a larger scale where he already has made a beginning. The population is growing far faster than the meat supply both in Canada and the United States and the new American tariff will, it now appears, admit Canadian cattle to the States free of duty. It would look as though the Canadian farmer has a profitable source of pretty high profits right at hand.

That extensive sections of the West appreciate the situation is indicated by the statement that one man has brought 8,000 young steers from Mexico. It is said that Alberta alone will have 500,000 hogs ready for market this year and that the Lethbridge district will yield 1,000,000 pounds of wool. There is plenty of room for progress along this line.

Six or seven years ago Canada and the United States were both considerable suppliers of cattle and meat to European countries, particularly Britain. In 1905 Canada exported to Britain 148,718 live animals, and the United States 414,000. In 1912 Canada exported to Britain 6,800 cattle, and the United States 39,957. The North American countries have dropped out of the cattle and meat exporting business on account of their increasing home population and an ever diminishing quantity of stock.

GROWTH IN SOURIS

According to the census of manufactures for Canada, 1911, which has been issued from Ottawa, Souris has three manufacturing establishments. Their forty-two employees earned approximately \$30,000, or an average of \$714 per year for each employee. This is a very high average and shows that the workingman in Souris is well paid. The three employers of Souris with \$220,000 of capital were able to produce products to the value of \$254,000. Not only did this money circulate in Souris as the point of shipment of these products, but the \$30,000 of wages circulated many times over through the purchases of the workmen over the counters of Souris merchants before it went to the bank as capital. It is the hum of industry that accounts in great measure for the growth of this fine prairie town. In the next ten years if Canada's present trade policy continues in force it is safe to predict that Souris' manufacturing industries will have doubled in number, wages paid and output.

SAILOR MISSING FOR A WEEK

Thought to Have Fallen From His Vessel at Canada Dock

Chatham Commercial:—A Norwegian named Charles Hoff, aged 28, one of the crew of the schooner Laura Haldt, Philadelphia, which discharged a cargo of creosoted timber at the Canada Dock, has been missing for a week, and it is feared he has been drowned.

It is said that Hoff with others of the crew had been around town drinking. They returned to their vessel about eleven o'clock last Tuesday night, and shortly afterwards Hoff asked the Captain to allow him to go ashore to see a doctor as he was ill. He was partly dressed at the time and the Captain advised him to wait until the morning. The sailor then left the Captain's quarters and has not been seen since. His coat and vest were found in the cabin, and it is believed that he fell over the side of the schooner in attempting to go ashore. About \$45 wages was due him.

Chief Coughlan was notified of the man's disappearance and a search of the town was made but no trace of him could be found.

The Captain, before leaving port on Friday, left a cash deposit with Pilot Master Walls, for the burial of the man's remains when found.

REV. DR. COUSINS ON CHRISTIAN LIVING

Last Sunday evening Rev. Dr. Cousins continued his series of sermons on Christian Living. At the close of his address he read and answered the following questions which had been sent him during the week as follows:

Q.—What is it to be a child of God? A.—One is a child of God when one is united to the Son of God, who prays that all who believed on Him might be one with Him as He is one with the Father. "As many as received Him to them gave He power to become the sons of God."

Q.—Some say they are going to be saved. What would you say to this?

A.—I would say that God wants no man to "try" to believe. Put "trust" in the place of "try"—believe in place of doubt. Come to Christ just as you are without waiting to be better. "Him that cometh unto me," said Christ, "I will in no wise cast out."

Q.—(sent in anonymously by mail) Is there anything real in Baptism, or is it only a form to show people you are a follower of Christ? Is it necessary to be baptized in order to be a Christian?

A.—I think Baptism is very real. It is a positive command, and therefore binding upon us. "Thus it becometh us to fulfil all righteousness" said Christ at the beginning of His Earthly Ministry, and at its close. "Go ye therefore and teach all nations, baptizing them, &c. Obedience is obligatory, not a matter of choice. Baptism does not save anybody. It is not necessary to be baptized to be a Christian but it is necessary to be a Christian to be baptized. "He that believeth and is baptized shall be saved." A Christian becomes baptized. "If ye love me keep my commandments" said Christ.

RED BANK

Nov. 27.—As it has been some time since you have had any notes from this section, your correspondent thought perhaps the following items would be of interest.

The Dorothy N. made a record this season, running her full trip on Nov. 27th. Capt. Ames is a favorite here, and his kindly smiles will be much missed.

D. Sullivan & Sons have moved into their winter quarters.

A number of small jobbers are cutting logs in this vicinity. Albert Gillis and Jas. Walsh are cutting for Jas. Parks.

Hunting is in full swing just now. Wm. Walsh got a moose and Jas. Gillis got a fine deer. Live mink are also being caught here.

Hon. D. Morrison, our new fishery inspector of Newcastle, has been here lately.

The roads around here are in very bad condition.

Mr. J. Sutherland was slightly injured while hauling D. Sullivan's gasoline boat up the other day.

The L. O. L. Hall is about completed and the Redbank people are proud to have such a fine building here. The work was done by Ernest Tozer and great credit is due him. Some of the lumber was purchased from Rhodes, Currie & Co., Amherst and some from the Canadian Gear Co., of Newcastle. The hall is finished in natural wood and presents a very attractive appearance.

A flock of blackbirds numbering at least 10,000 have taken up their residence in Johnson City, Tenn., in one of the public parks. They spend the day gathering nuts in the nearby woods and attract attention through their daily singing after sundown.

TRAIN SERVICE BEGAN MONDAY

Two Trains Each Way Daily Between the Capital and Chipman Arranged by the C. P. R.

Monday, Dec. 1, marked the commencement of operation of the Fredericton & Grand Lake Coal & Railway Company and the New Brunswick Coal & Railway by the C. P. R. and the inauguration of their regular train service.

The time table, as arranged by A. Sherwood, the manager, calls for one train daily between Fredericton and Norton and another between Fredericton and Chipman, each way, thus giving two trains daily each way between Fredericton and Chipman and one each way south of Chipman to Norton. The trains will leave Fredericton at 9:30 a. m. and 4 p. m. daily except Sundays, the morning train reaching Chipman at 11:40 a. m. and running through to Norton, which will be reached at 1:40 p. m. The afternoon train will arrive at Chipman at 6:20 p. m. Running north there, will be a train leaving Norton at 4:10 p. m. and reaching Fredericton at 8:45 p. m., and another leaving Chipman at 6:30 a. m. and reaching Fredericton at 9 a. m.

SHOT BOTTLE ON HEAD OF COMPANION

Sunday Amusement of Young Men on Sandy Point Road

A modern disciple of William Tell was to be seen at Long Lake, St. John in the vicinity of the Sandy Point Road on Sunday, when he startled persons who happened to be spending the day there by emulating the performance of the great Swiss archer with a rifle instead of a bow and arrow. Failing a son to make the analogy complete, the exponent of marksmanship had pressed into the service a young man who had accompanied him to the woods and the place of the apple was filled by a beer bottle. Otherwise the setting and acting was highly realistic. Placing the bottle carefully upon his friend's head William Tell's successor took careful aim and, pulling the trigger, shattered the glass to thousands of pieces. Had his hand wavered for an instant, or had one of the splinters of glass been driven downwards, the result would have been disastrous, but nothing of this sort happened and it is possible that both of the young men may yet be natural deaths although a few repetitions of Sunday's entertainment might well put one of them in the way of the hangman's attentions.

Making sure that the contents of the marksman's gun had been emptied into the bottle and that there was nothing upon his own head which might serve as a target, one of the people who were spending Sunday at a camp near the lake, approached William Tell the Second and asked him why he indulged in such exciting pastimes. He was told that this was a recognized method of steadying the nerves of the victim. The inerrator realized that over-indulgence in this form of amusement might silence one's nerves permanently, so he said nothing further. The young men returned to the city soon after. Their names and occupation are unknown, but it is suggested that they might be open to accept bookings in the local theatres.

EXTENSION OF BUCTOUCHE RY.

In an article in our last issue re the survey on the new line of railway between Buctouche and Loggieville we were in error in saying it was a government survey.

We since learn, however, that the survey was made by Mr. E. G. Evans, manager of the Buctouche railway, who is also a Civil Engineer.

The full survey has been made, part of which has been approved by the Government, the remaining part not as yet being ready for approval.

Home is the place to which some men go in order to get even when disagreeable things happen down town.

GIVE "SYRUP OF FIGS" TO CONSTIPATED CHILD

Delicious "Fruit Laxative" can't harm tender little stomach, liver and bowels.

Look at the tongue, mother! If coated, your little one's stomach, liver and bowels need cleansing at once. When peevish, cross, listless, doesn't sleep, eat or act naturally, or is feverish, stomach sour, breath bad; has sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, indigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which contains full directions for babies, children of all ages and for grown-ups.
