New Health For Suffering Women

Aching Backs and Tired Limbs Need not be Endured.

Too many women endure suffering that casts a shadow over half her existence. An aching back, tired limbs attacks of faintness, splitting headaches need not be a part of woman's life. Such trials indicate plainly that the blood is thin and watery and that the sufferer needs the help of a real tonic such as Dr. Williams' Pink Pills. Suffering women who have used this medicine speak of it in the highest terms. Among those who have been thus helped is Mrs. Ada L. Harman, Virden, Man., who writes:—"Following the birth of a still-born child a few years ago, I had a very serious time. I was so weak for months that I could not walk across the room without a feeling of faintness. I had scarcely strength enough to stand up, and when dressing would have to sit down two or three times. My face and lips were colorless, I had no appetite, and life did not seem worth living. A friend urged me to try Dr. Williams' Pink Pills and I got six boxes. Before they were all gone I felt improved. My appetite was returning, color was coming into my face, and I was visibly stronger. I continued taking the pills and fully regained my former good health. I consider Dr. Williams' Pink Pills a blessing to weak women, and hope my experience will induce some other sufferer to try them."

You can get these pills from any medicine dealer, or by mail at 50 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

KEEP FLOWERS FRESH

Flowers cut early in the morning will last much longer than if cut later in the day, while those taken before they are in full blossom will outlive either. On the other hand, a little powdered charcoal placed in the bottom of the vase will successfully revive the faded ones.

The water should, of course, be changed each day, and it will add much to the lives of the stems of the flowers are wiped before replacing.

Silver vases, it will be found, are apt to make roses fade very quickly and it is a good idea to use a little mortar in the water. A much more satisfactory method, is to use wet sand in the water. Where vases or bowls other than glass ones, are used it not only keeps the flowers fresh longer than water, but has an additional advantage in keeping the container stable and less easy to knock over. The idea of keeping cut flowers has, by the way, been taken much further. A friend of mine dipped the blooms of her favorite flower in a solution of gum arabic.

Teacher Wanted.

A second class female teacher for School District No. 7, Parish of South Esk. Apply stating salary to ISAAC MUTCH, Lytleton, North County, N. B.

FAST HORSES ARRIVE FOR CHATHAM RACES

Fast Horses arrive

The big stable of horses travelling on the Maine and N. B. circuit will be in Chatham this week for the two days races on Wednesday and Thursday and all that is needed is fine weather to make this meet the most remarkable the North Shore has ever seen.

A special train arrived yesterday at 5 o'clock from Fredericton with horses for the races. These are the horses that have been smashing records right and left since they have rounded into shape and on the fast Chatham track even greater things are expected of them and the events of these two days are expected to go down into history.

The track has never before offered such big purses, a \$1000 free-for-all, a \$500 junior free-for-all and \$400 purses for each of five other events making a grand total of \$3500 in all. But it has put Chatham on the big circuit and the racing will be well worth the big attractions that had to be offered to stage the events here.

The events for the two days are as follows.

Wednesday, July 29	
1. 2.14 Mixed	Purse \$400
2. 2.24 Trot	" 400
3. Junior Free for All	500
Thursday, July 30	
4. 2.17 Mixed	Purse \$400
5. 2.17 Trot	400
6. 2.24 Mixed	400
7. Free for All	\$1000

"BUY AT HOME"

SHAKE Tread Easy

in your shoes and note the relief it affords

Tired, Aching, Perspiring Feet

During these summer months you will be walking more than ever and if you will shake a small quantity of Tread Easy in your shoe each step will be one of ease.

Don't suffer from burning and perspiring feet when such a relief is so easy to obtain.
