Excellent Athletic Exhibition.

A very large gathering of spectators were in the British Hall last night to witness the athletic and wrestling competitions given by the members of the Avalon Athletic Club. Mr. W. J. Higgins, the time-keeper, at 9.15 appeared on the platform and after announcing that the exhibition was promoted for the benefit of the Regulus-Golden Arrow Fund, introduced Mr. Martin Rock, the light-weight champion of New England, who wrestles with Young Olson Monday night. The first item on the programme was a clever delineation of pyramid building by Messrs. Olson, J. Kenna, E. Goodland, F. Marshall, W. Goodland and E. and A. Cullen. This was so cleverly done that it elicited loud applause. Messrs. Rendell, White, Marshall, Cullen and Olson now did some interesting parallel bar feats, after which there was wrestling by S. Cullen, R. Stick and J. Campbell. Cullen wrestling the other catch-as-catch-can for a period of 15 minutes each, defeating Stick in 3 minutes, 12 secs. first fall, and 1 min. 57 secs. second fall, and putting Campbell out also in quick time. E. J. Goodland and H. Pedigrew now gave a ten minutes' bout, in which Goodland easily came off victorious. Messrs. A. White and W. Goodland now gave a ten minutes' wrestling exhibition which was deftly done but resulted in a draw when time was called. Messrs. Haytor and Kenna now gave a 25 minutes' wrestling bout and showed themselves to be proficient in the art, and their exhibition came as a surprise to all. Kenna appeared to be the stronger of the two, but his opponent possessed much cleverness and the bout closed a tie, neither having secured a fall. J. Campbell and S. Cullen concluded the exhibition with a boxing contest of three rounds and both showed themselves to be pugilists of no mean order. To Young Olson, the instructor of the members of the club, and these latter we extend our congratulations, for their exhibition was an excellent one of the kind and well worth seeing.

Entertainment at Western Bay.

The entertainment last night in the R. C. school hall proved very enjoyable. There was a very good audience. An excellent programme was rendered, consisting of songs, dialogues and recitations. Amongst those who kindly assisted were the Rev. John Lynch and Miss C. March, of Northern Bay; and the Misses Kennedy, Dr. Ferguson and Mr. Dwyer of Western Bay. The entertainment was given under the auspices of the Catholic Club of Western Bay. At the close the Rev. Fr. Lynch heartily thanked the audience for their attendance on behalf of the club, and our Methodist friends who, now, as in the past, so generously assisted in the carrying out of the programme. The proceeds were \$22. The concert will be repeated on Friday night with some changes.

Glencoe in Port.

The S. S. Glencoe, Capt. Spracklin, arrived in port at 5 p.m. yesterday from Sydney with a full cargo. She was not long out from Sydney when her steering gear got out of order so that she did not call at Port aux Basques as intended, but came direct to this port. Upon discharging the ship will go on dock to get necessary repairs and an overhaul which will occupy about 3 weeks.

Wedding Bells at St. Kyran's.

The Chapel of the Sacred Heart, St. Kyran's, was the scene of a very pretty wedding on Saturday, Nov. 18th, when Mr. David Billion, of this place, and Miss Lizzie Flaherty, formerly of St. Lawrence, were united in the holy bonds of matrimony. The ceremony was performed by the Very Rev. W. P. Doutey, P. P. The bride was tastefully attired in a dress of cream nun's veiling with hat and veil to match. Miss Mary Leonard assisted as bridesmaid, while the groom was ably supported by his brother, Mr. John Billion. The bridesmaid wore white and blue and a picture hat. After the marriage the happy couple walked to the residence of the groom's mother where a sumptuous supper was served, after which a dance was indulged in until the "wee small" hour of daylight, when all dispersed saying that they had spent an enjoyable time, and wishing Mr. and Mrs. Billion many happy years of a wedded life.—Com.

If I boot you
I must have been booted
To boot;
But if boots he
Who boots me;
For he like me
Must have been booted
To boot;
But I'll boot him,
To boot.

There is sense in this if you'll study it out;
but in the following there is sense and Dollars
and Cents:—

Let us boot you,
And you'll have a bargain
To boot, for booty.

MUCH FISH LANDED.—Fishermen eagerly embraced the fine weather of yesterday to discharge the fish from their schooners at the different wharves and numbers of labourers were engaged at the work. To-day also the wharves of the city present a busy spectacle and a large quantity of fish is being discharged from the crafts.

Beware of it! There is every evidence that a low grade flimsy class of silverware is being marketed in this country. Stuff that looks nice, and sell cheap! It is not cheap at any price. It won't stand, and not worth repairing when broken. If you want a good piece of English goods at a reasonable price go to TRAPNELLS. —adv. tf.

When Const. Lawlor arrived at the residence of Mrs. Drover, who was seriously hurt by her husband Thursday night, he found her suffering intensely and had recourse to first aid methods to restore her. These proved so effective that when Dr. Stafford arrived he expressed his satisfaction with the work done by Lawlor, a fact which demonstrates the value of first aid in such cases. The woman is since confined to her bed and is being attended by a doctor.

Three Deaths From Diphtheria.

Special Evening Telegram. TRAPASSEY, To-Day. Three deaths occurred here from diphtheria, brought here from General Hospital by a girl named Hagerty a short time ago, and who died of that disease. A family named Molloy, living close by, took it and father, mother and five children were stricken with it, two of the children dying. Is it not time that this building was sent to blazes if the authorities cannot root diphtheria out of it. CORRESPONDENT.
