Board was present.

## Will Stake This Medicine Against Your Time

A Few Days Will Be Sufficient to Prove That You Are Curable

A few minutes of your time for a few days and I will demonstrate to without expense to yourself, I have a medicine that drives Uric Acid poison from the system and by so doing cures kidney trouble, bladder trouble and rheumatism I don't ask you to take my word for it, but simply want you to let me send you some of this medicine so that you can use it personally.

that it will become widely known.

You will agree when you have used it that it dissolves and drives out uric acid poison. It tones the kidneys so that they work in harmony with the bladder. It strengthens the bladder so that frequent desire to urinate and other urinary disorders are banished. It stops rheumatic aches and pains immediately. It dissolves uric acid crystals so that back and muscles no longer ache and crooked joints quickly straighten out. It reconstructs the blood and nerves so that you soon feel healthier and more vigorous, sleep better and eat better and have energy throughout the day. It does all this and yet contains nothing injurious and is absolutely vouched for according to law.

law.
Sufferers from these dreadful and dangerous diseases can surely afford to spend a few minutes each day for a

t h e synagogue

we go to hear the

pastor's sween-

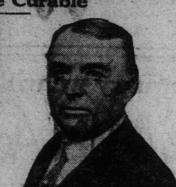

ing discussion of

the vital themes?

What is the

strange incen-

tive? Why do

I am trying to convince sufferers from these diseases that I have something far better than the usual run of remedies, treatments and such things, and the only way I can demonstrate that fact is to go to the expense of compounding the medicine and sending it out free of charge. This I am glad to do for any sufferer who will take the time to write me. Understand, I will not send you a so-called "sample proof or test treatment," nor will send you a package of medicine and say that you can use some of it and pay for the rest, but I will send you a supply free of charge and you will not be asked to pay for this gift nor will you be under any obligations.

All I want to know is that you have a disease for which my medicine is intended, as it is not a "cure-all," and I give herewith some of the leading symptoms of kidney, bladder and rheumatic troubles. If you notice one or more of these symptoms you need this medicine, and I will be glad to send you some of it if you will write me the numbers of the symptoms you have, give your age, and your name and address. My address is Dr. T. Frank LYNOTT who will send medicine to anyone for compounding the experiment of the expense of the expense of the symptoms you have, give you my determined the numbers of the symptoms you have, give your age, and your name and address. My address is Dr. T. Frank Lynot, sil Franklin Building, Toronto, Ont. You promise me nothing; you pay me nothing for it. All I ask, so there shall be no mistake, is that you send me the numbers of your symptoms or a description in your own words, and that you take the medicine according to the directions I send you. It is my way of getting publicity for my medicine so that it will become widely known.

You will agree when you have used it that it dissolves and drives out uric

#### These Are the Symptoms:

1-Pain in the back.
2-Too frequent desire to urinate.
2-Burning or obstruction of urine.
4-Pain or soreness in the bladder.
5-Prostatic trouble.
6-Gas or pain in the stomach.
7-General deblity, weakness, dizzine
8-Pain or soreness under right rib.
9-Swelling in any part of the body.
10-Constipation or liver trouble.
11-Paipitation or pain under the hea
12-Pain in the hip joint.
13-Pain in the hip joint.
13-Pain or soreness in the kidneys.
15-Pain or swelling of the joints.
16-Pain or swelling of the muscles.
17-Pain and soreness in nerves.
18-Acute or chronic rheumatism.

## At the City Hall.

The weekly session of the Council Board was held yesterday afternoon. I. G. Sullivan replied to Council's letter, which stated that the firemen failed to send in an "all out" signal the night (January 26th) the fire took place on Harvey Road. The Inspector sympathized with the Council employees but had more sympathy for the firemen who had to respond to a second big fire the same night. He considered the Council and Inspector's report incorrect and that water distribution at the time of fires should

be improved. The Mayor thought this a reflection on the work of the employees and explained that when the alarm was rung in for the second fire the men at the water shed thought it was the "all out" signal for the first fire, consequently there was a delay in diverting the water supply to the eastern section of the city.

Councillor Martin was of the opinion that some one was lying and suggested

Councillors Ryan and Myrick thought the Council officials acted promptly on the night in question. The Mayor intimated that a reply be sent Mr. Sullivan and it was ordered

Secretary Knight, of the Board of Fire Underwiters complained of the water supply during fires. The Under writers, he said, were going to get expert opinion at their own expense. Mayor Ellis said it was quite easy

to cope with two fires at one time. Councillor Ryan believed that the IN AID OF ECCLESIASTICAL FUND. city had not sufficient firemen to fight two big fires at the one time and thought the matter worthy of consideration.

Councillor Myrick agreed with Councillor Ryan, but Councillor Martin intimated that the Reserve fire- Eilis, James Parker, George Shea, D. men were always on hand to fight a A. Ryan. double fire.

The Mayor suggested that the Underwriters Secretary should get after H. Bradshaw, Capt. N. Walsh, J. Fenethe system of fire fighting as well as len, D. Clatney, Mrs. D. J. Greene, the water system.

Councillor Ryan said a six inch pipe should connect with the main J. Hanley, J. Kerrivan, R. Power, G. at Rawlins' Cross so that when there Brownrigg, M. Power, M. A. Duffy, E. is a fire in the West End of the city the whole East End supply will not be
