At the request of a large number of my friends, ± both East and West, I have ± decided to place myself in Nomination at the forthcoming Municipal Election. Owing to the limited time \$ between now and Polling Day, and the possibility of not being able to call on every elector personally, I would kindly ask them to accept this card as a personal canvass. I promise,

if elected, to use all my energies to see that the civic taxes are spent judiciously. H. J. BROWNRIGG.
