

## Hams and Bacon!

Recent activities of the Public Meat Inspector have resulted in the destruction of a quantity of unsound Hams held here by a dealer in Smoked Meats, and as we handle large quantities of this commodity we feel that in justice to our business we are obliged to state that the Hams referred to as being destroyed **DID NOT BELONG TO US.**

The impregnability of our position, as far as the Quality of our celebrated "Berkshire" brand of Smoked Meats is concerned, we felt would make our denial of this charge unnecessary, but on account of other dealers in Hams and Bacon claiming exemption from the accusation we find that we are reluctantly forced to announce that we are not the unlucky concern referred to in this unfortunate matter.

"BERKSHIRE" HAMS AND BACON ARE ALWAYS SATISFACTORY.

Fishermen, now is the time to secure O. Mustad's Jiggers or Pili Hooks. They are bright, small and act as a minnow, attach small swivel to make it spin. Just try this famous Norwegian fish killer, any ordinary lead sinker will suit, but place one swivel above the sinker and the other below to keep your line from twisting.
