It is false economy to postpone painting your property. Many, many months—perhaps years—must elapse before paint will return to 1913 prices, if ever. Meanwhile the wear and tear of weather is working more harm than any future reduction of paint prices would cover. Insure your house against decay by painting it with Matchless Paint.

Notice to Sealers!

Owing to prevalence of Influenza in St. John's and the Outports, the Board of Health have notified us that a Medical Examination of each Sealer will be made before signing Articles, and any man showing any symptoms of the disease will not be allowed to proceed on the Sealing voyage. The Vaccination Regulations will also be enforced as in previous years.
