"BE MASTER OF YOUR HEALTH."

—DR. CHASE

Make your blood rich—strengthen your nerves, increase your vitality and build up your system generally by using

Dr. Chase's Nerve Food.

You may be skeptical of what any medicine will do for you. But you are human—your vitality depends on an abundance of rich, red blood. Dr. Chase's Nerve Food supplies the ingredients from which new blood is created, and is bound to help you in the same way that it helps many thousands of others.

Here is the Proof:

St. John's, Nfld.

Mr. M. F. Condon, 32 John St., St. John's, Nfld., writes:—

"For years I had read in the papers about Dr. Chase's Nerve Food. The picture of old Dr. Chase was always before my mind. At last I said I would try one box and see for myself what it was like. I must say that I was pleased beyond all description. This remedy did just what it claimed to do. It gave me new life and energy. Now I tell everyone suffering from nervousness or run-down system to take Dr. Chase's Nerve Food before it is too late."

Freshwater, Nfld.

Mrs. Thomas Butt, Freshwater, Nfld., writes:—

"It is three years since I first heard of Dr. Chase's Nerve Food. At that time, I was suffering from a severe attack of nervousness, and my health was completely run down. I could not digest my food properly, and what I did eat did me no good. After taking one box of Dr. Chase's Nerve Food, I began to feel stronger and in a short while, my former health was completely restored. I never miss a day without taking this wonderful medicine, and I have recommended it to many neighbors, who have benefited as much as I have from its marvellous and quick action. I will always recommend Dr. Chase's medicines."

Curling, Nfld.

Miss Gerlie H. E. Lewis, Curling, Bay of Islands, Nfld., writes:—

"My father suffered for three years with his nerves, and at last gave up all hope of ever getting better. One day, however, he read an advertisement for Dr. Chase's Nerve Food and decided to try it. Before he had taken the fifth box he was a well man. He is now fifty years old, but since he has been restored to health by Dr. Chase's Nerve Food, he feels more like twenty." (L. March, J.P., states: "This is to certify that I am acquainted with Miss Gerlie Lewis, and believe her statement with reference to Dr. Chase's Nerve Food to be true and correct.")

Bay Roberts, Nfld.

Mrs. Annie Ryan, Bay Roberts, Nfld., writes:—

"I wish to inform you of the great benefit which I have derived from taking Dr. Chase's Kidney-Liver Pills and Nerve Food. I was completely run down at the time I started to take them, but am glad to say I am quite myself again after taking six boxes. I would like some other poor sufferer to know what Dr. Chase's remedies have done for me."

Lower Island Cove, Nfld.

Mrs. Caleb Sparkes, Lower Island Cove, Bay of Verde, Nfld., writes:—

"I was run right down in health, had no appetite, and was very weak all over. I had to be continually calling on doctors, but got no relief until I heard about Dr. Chase's Nerve Food. Four boxes of this remedy have made a new woman of me. I feel sure I would have died but for this marvellous treatment. I am glad to be able to recommend Dr. Chase's Nerve Food and if one other woman can benefit as I have I will be very happy, as I know what suffering from nervousness is like. At one time I was so nervous that I was afraid to hold a lamp in my hand. I am in good condition now, and thank Dr. Chase's Nerve Food for my cure. I also highly recommend Dr. Chase's Ointment and Catarrh Powder, both of which I have found good."

Collingwood, Ont.

Mr. Harry Edward Trotman, First St., Collingwood, Ont., writes:—

"It is with great pleasure I write to tell you the splendid results I have secured through the use of Dr. Chase's Nerve Food. Before I commenced this treatment, I suffered from nervousness—was restless, easily worried; had frequent headaches and neuralgic pains through my body, especially in the back. I could neither sleep nor eat well, my circulation was poor and the heart action seemed weak. I also had attacks of indigestion. I tried several different remedies, but could not gain permanent relief. At last I started taking Dr. Chase's Nerve Food, and this treatment, together with an occasional Kidney-Liver Pill, worked wonders in my case. Five boxes of Nerve Food cured me. My wife has also derived great benefit from the same treatment, and we shall never be without these medicines in the house as long as we can get them."

At this season almost everybody is in need of restorative treatment to keep up energy and vigor and to maintain health, strength and vitality. Everywhere people are talking about Dr. Chase's Nerve Food, because it seems to be exactly what is required in the great majority of cases to restore the run-down human system. 50 cents a box, 6 for \$2.75, all dealers, or Edmondson, Bates & Co., Ltd., Toronto.
