## LIVED UP TO ITS REPUTATION, SHE SAYS.

Things She Heard Of  
Verified By Her Own  
Experience, Declares Dart-  
mouth Resident.

have heard a great many good  
things about Tanlac, and it has cer-  
tainly lived up to its reputation in  
this respect," said Mrs. Susan Conrod,  
Dartmouth, N.S., a staunch believer in Tanlac.  
"I have known Mrs. Conrod, and I have a  
personal knowledge of the fact that she  
is a weak, nervous, run-down  
woman. My food seemed to do me  
more harm than good. I suffered  
terribly from constipation and  
episodes of dizziness, and was  
very nervous. I was never sick  
enough to take to my bed but just felt

bad, out of sorts, dull and languid  
all the time.  
"But since I have taken Tanlac my  
whole system has felt the good ef-  
fects of the medicine. I feel well and  
happy and in fine spirits all the time,  
for my digestion seems to be perfect,  
and I am free from constipation, dizi-  
ness, nervousness, and in fact my ail-  
ments have all left me. Tanlac has  
enabled me to enjoy life and good  
health once more and my gratitude  
is unbounded."

## Saints Defeat Terra Novas.

IN POOR HOCKEY EXHIBITION.

The Saints defeated the Terra Novas  
in a very poor exhibition of hockey  
last night by a score of 10 goals to 5.  
Over 1,400 people attended the game  
which was a disappointment to every-  
body for at no time were there any  
signs of real hockey. From beginning  
to end the Saints had the best of play  
and although occasional spurts were  
put on by the Terras, they did not  
look at all as if they were likely to  
win. At times a little combination was  
shown by both sides, especially by the  
Saints but it never proved very effec-  
tive, the majority of the goals being  
scored from individual efforts. One  
aspect of this game which it is hoped  
will be absent from the remaining  
games of the series was the frequent  
fouling, tripping and slashing which  
did not in any way improve the play  
from the point of view of either spec-  
tators or players. Robertson as usual,  
was the mainstay of his team and his  
individual play was as good as ever.  
Paterson also did very well and earned  
his place. "Cooley" Munn gave a  
very good exhibition of goal-tending  
throughout the game. The Terras were  
greatly handicapped by the absence  
of Bob Stick through illness. His  
presence would have made a big differ-  
ence to the game. Both Canning and  
Len Stick worked hard but rarely  
managed to get through. The game  
was started at 7.35 by "Coke" Cahill  
who was referee.

### THE FIRST PERIOD

was scrappy and very slow. The ice  
seemed a bit too fast for the players,  
who did not appear able to control  
the puck at all. The first goal for the  
game was scored by Coultas from a re-  
bound, five minutes after the start.  
Long shooting was much indulged in  
during this period, as indeed, it was  
right through the game. Rawlins was  
called upon several times and saved  
in good style. After ten minutes play  
Field came part of the way down ice  
playing the boards, and shooting some  
distance from the goal, placed the  
puck behind Rawlins. Some six min-  
utes later Len Stick scored the Terra's  
first goal from a mix-up. Several in-  
effective attempts at combination were  
made during this period. Several pen-  
alties were also handed out.

### THE SECOND PERIOD

was very much the same as the first,  
the brand of hockey handed out being  
very poor. The first five minutes of  
this period showed the fastest bit of  
play for the game, the Terras work-  
ing hard and hovering around their  
opponents goal. After while the game  
deteriorated into the old scrappiness  
and proved of little interest. Field  
and Munn got in some nice play dur-  
ing this period. Near the end of the  
period Ernie Churchill twisted his ankle  
and had to leave the ice. The Saints  
managed to add five goals to their score  
during this period, E. Munn getting  
two, and Field, Hennigbury and  
Robertson one each. Just before the  
gong went Fraser netted the Terra's  
second goal from a long shot. The  
period closed with the Saints leading  
by 7 goals to 2.

### THE THIRD PERIOD

opened with the Terras pressing their  
opponents goal. This did not last long,  
however, but for some time play was  
of a give and take nature. A consider-  
able amount of unnecessary slashing  
was indulged in during this period.  
The Terras added three goals to their  
score during this period and the Saints  
got three also. Len Stick, Gus Herder  
and Clouston scored for the former  
and Field (2) and Hennigbury for the  
latter who, when the final gong went,  
were the victors by a score of 10 goals  
to 5.

### The line-up was:

Saints	Terra Novas
Goal: L. Munn	Goal: Rawlins
Defence: Robertson, Paterson, Field	Defence: Coultas, Hennigbury, Robertson
Centre: Clouston	Centre: Clouston
Right: Coultas	Right: L. Stick
