

OUTSIDE SPORTS.

PROFESSIONAL GAMES. The second game between the MUTUALS and ATLANTICS took place on the Union grounds, Brooklyn, on the 12th, and resulted in a score of, MUTUALS 9, ATLANTICS 5. Time 2 hours.

The Athletics and Bostonians played their second game in Philadelphia on Saturday. The game was exciting and closely contested. Eight whitesashes were given the Bostonians. Athletics 5, Boston 4. Time, 1 1/2 hours. The following are the

RUSS EACH INNINGS. Boston..... 0 0 0 4 0 0 0 0-4 Athletics..... 0 1 3 0 0 0 1-5 To-day the Bostonians play the MUTUALS on the Union ground, Brooklyn, and tomorrow the RESOLUTES, at Waverly.

LOCALS. Remember the MAPLE LEAF meeting at the Queen's to-night—8.15. Special. The SILVER STARS of Port Hope are agitating for a half-holiday on the 24th—the day the CHAMPIONS play them when on their tour. If they succeed the Port Hope folks will turn out strong—so the paper says.

PARKER'S and DRADY'S match comes off this afternoon on the Maple Leaf ground. The REGULATORS played a very good practice last night—1st nine again! The field, three innings each and 4 runs total. Go on improving, boys.

A poster, from Ottawa no doubt, says the OTTAWA LEAF of Guelph are to play the OTTAWA CLUB for the championship in Ottawa next Wednesday. Not posted.

The HAYMAKERS make an awful noise at night—more'n two threshing machines.

CRICKET. The cricket match to-morrow, LONDON vs. TORONTO, promises to be interesting. London has a strong eleven ready.

LACROSSE. The great Lacrosse Match yesterday afternoon terminated in favor of the CAROLINAVANS—by 3 to 1. The first game occupied about half an hour, and was won by the CAROLINAVANS. The second was won very easily in about a minute, by one of the SHAMROCKS, who ran over the whole field himself, and by a splendid throw put it clean through the goal. The remaining two games were won by the Indians in quick order.

A great struggle was witnessed all through the games, and some hard knocks were exchanged when the ball touched on delicate ground anywhere round the goals. The Indians are a body of well-built men, and are not easy to defeat; whilst the SHAMROCKS are also a good strong team, and not a match for their comrades in a real scientific game. As long as game and game can be won and lost as arranged perhaps by interested persons to line their pockets, the public may look on very good naturedly, but in a real live game for the championship of the Indians world, we think, come out first best. There was a very fair attendance of spectators on the ground, who enjoyed the sport admirably. The two teams left by the Grand Trunk morning train for the west, after having been substantially looked after during their stay in town by mine host of the Albion hotel.

The Venerable Archdeacon Scott, of Dunham, Canada East, says that he has freed from Dyspepsia more than twenty-five years, but that three weeks' use of the Peruvian Syrup (an Iron Tonic) has benefited him so wonderfully that he can hardly persuade himself of the reality and people who know him are astonished at the change.

Iron in the Blood

MAKES THE WEAK STRONG.

The Peruvian Syrup, a Protected Preparation of the Extract of Iron, is so combined as to have the character of an aliment, as easily digested and assimilated with the blood as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the Blood, and cures the most obstinate cases of Debility, Chlorosis, and Leucorrhoea, and leaving nothing for disease to feed upon.

Thousands have been changed by the use of this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy ones. It is a great and powerful tonic, and a most valuable remedy for all cases of Debility, Chlorosis, and Leucorrhoea, and leaving nothing for disease to feed upon.
