What is Scrofula

It is that impurity in the blood, which, accumu-
lating in the glands of the neck, produces un-
usually large or swollen glands, which cause painful
running sores on the arms, legs, or feet; which
develops ulcers in the eyes, ears, or nose, often
causing blindness or deafness; which is the origin
of pimples, cancerous growths, or many other
manifestations usually ascribed to "humors."
It is the most formidable of all diseases, or affections,
for very few persons are entirely free from it.
How can it be cured? By taking Hood's Sarsaparilla,
which, by the cure it has accomplished,
proven itself to be a potent and peculiar medicine,
for all affections of the blood.
Hood's Sarsaparilla is unequalled, and some of the
cures it has effected are really wonderful. If you
suffer from scrofula in any of its various forms,
be sure to give Hood's Sarsaparilla a trial.

THE TURF.

THE DERBY WINNER BEATEN.

LONDON, July 11.—The race for the

Eclipse stakes, 10,000 sovereigns to the

winner, was run at Sandown Park yester-

day. The stake is for 3 and 4 year olds,

the distance a mile and a quarter. The

winner was Mr. A. W. Merritt's 4-year-old

Derby, the French 3-year-old Gouverneur,

second in the Derby this year, was second,

and Common, the winner of the Two

Thousand and Derby this year, was third.

This was Common's third race and his first

defeat.

NELSON'S FAST MILE.

DETROIT, July 11.—The Nelsons,

man and horse, gave a sort of informal

celebration of their reinstatement to good

standing on the trotting turf at Ham-

tramack track yesterday morning. The stal-

lion looked fresh and fine when brought out.

His owner sent him a warning-up mile in

2:21 1/2, and then, after he had nicely cooled

out, the real work of the morning came.

When given the word he rushed away to the

quarter-pole in 33 seconds. Up the

back stretch the terrific pace was well

maintained, and at the half the watches

marked 1:06. Around the upper turn,

which is in poor condition just at present,

the horse was taken back very percepti-

bly, and when the three-quarter pole

was reached the time was 1:41 1/2. Once

square away in the home stretch Nelson

was given his head for the finish. Coming

like a wild horse down the straight the

fire was reached, and the watches stopped

at 2:14 for the mile. Considering the

condition of the track—it had been pur-

posely kept loose and soft for the

local horses—and the little time Nelson

has had this season, together with the

wearing effect of his recent journey, it be-

comes a question if this is not the most re-

markable mile ever trotted by the great

horse from Maine. If the third quarter

could have been trotted up to speed it is

probable the time would have been 2:12 or

better.

NOTES.

Capstone, Sister Iona, Ketchum, Tappahan-

nock, Duke John and Silence.

stallion that bears his name was 3 years

\$5,000. That was six years ago, and in the

last few days he has bought that interest

back at a price said to be \$25,000.

42, total 101. Woodstock for two inn-

ings made only 40.

As a preliminary to the big match with the

United States eleven on Monday and

Tuesday at Toronto, the Canadian eleven

Friday made a selected eighteen on the floor

street grounds. The batting of the eleven

was hardly up to anticipation, 9 wickets

falling for 51, and only one, Kaiser, get-

ting over two figures. McGivern bowled

3 wickets for 21 and Hall 6 for 28 runs.

AQUATIC.

At a secret meeting of the Schedule Com-

mittee of the American Association to con-

sider the playing season, it was finally de-

cided to extend it for one week, making

the closing date Oct. 11.

It is nearly time that the citizens of

Rochester have a mass meeting and pro-

tested against that gang of alleged baseball

players that is traveling around the country

and representing themselves to be from

Rochester continuing any longer to use

the name that they now play under. They

have been known to Rochester long enough.

It is time to call a halt. Without doubt

they would do good work at cleaning the

streets, but a united protest should be

made against their wearing uniforms with

the word "Rochester" on their shirt any

longer. They cannot play ball, and they

never will be able to, as at present consti-

tuted. As a ball club they are at present

the most disgraceful failure that can be imagi-

ned." (Rochester Democrat.)
