be regarding him as an intruder in a days if she progressed at that rate. her brow, her nostrils dilated, her lips field, winning by fifteen lengths. The that he took the hole one under bogey from his visits would be needless. for his visits would be needless. As he came out upon the street he almost ran up against a man who appeared to be lounging about the door. "What do you want?" he demanded, curtly, and, eveing him suspiciously. There is an English lady sick within?" the stranger said, questioningly.
"Yes," was the brief response of the physician, who saw that his interlocutor was a foreigner and evidently English, although he spoke the language of Spain very correctly.

"Is—is she better?" "Yes," again briefly. "Will she get well?"

but still weak, of course. The stranger turned his head quickly, but not before the keen eyes of the doctor had caught the look of disappointment which flashed from his eyes. "The lady is a stranger, perhaps would it be proper for one of her own countrymen to offer sympathy and as-

This was asked with a sort of nervous hesitancy. of need is better; but thanks, senor— she has a friend who can do for her all stiff little bow went his way.

Philip Paxton-for it was he-glared after him, a flash of hatred in his He had heard of Arley's ilness almost immediately, and had been in the habit of prowling about her lodgings and in-

terviewing servants regarding her con-They had given very unfavorable accounts, enjoying, as their class always do, something exciting to talk

about, and he had been led to believe that she would not recover. It was a shock to him now fore, to be told that she was getting well, for horrible, as it seems, he had actually hoped that she would die, so that he could carry out a cunning

scheme, which of late had been devel-He left his lodgings the same day that days later, he might have been seen in a gambling den, watching with wild eyes and haggard face, the turn of the wheel which would either make him a beggar or fill his purse with gold. He won, and with a hoarse cry of joy he swept the pile of glittering coins to

into his pocket, he staggered from the place as if intoxicated with his good pill a dose, 25 cents a box. fortune. The next day found him in another den of the some kind-he was too cunning to try twice in the same place-

and again he won.
"That will do," he muttered, "it's A Terrible Steamboat Catastrophe in enough to give me quite a start, and I'll stop while I'm safe," and buttoning his coat close over his hoard, he stalked from the place, wholly unmindful of the dark looks of the disappointed banker.

He had told Arley, on that morning their earnings, that he had no money. Whence, then, came the gold that he had staked at the gaming table, and were injured. that had enabled him to win more?

As soon as Arley was able to get out she went once more to the art store, where she had sold pictures, to ascertain if she could still continue to supply sketches there.

The proprietor was shocked at the n her, and she did, indeed, look more like some frail, beautiful spirit than an earthly being; but he told her would take all the work that she could do.

day she was able to draw a little more, though the doctor, coming in occasionally to see how she progressed, and looking over her shoulder at her dainty work, muttered with a scowl of disapagain on his hands if she did not take

his face, and he saw the terrified ex-Will it make me ill again? Please don't tell me so, for I must work - I

He knew that she had been robbedshe had confided so much to him-and easily broken, if its life is not perfectly that she would have to earn money before she could return to her friends. and he had favored her all he could in his charges. He wished now, as he saw the desperate homesickness in her eyes he had taken nothing from her, and so he had not the heart to tell her that she must not work-indeed, he began to think that if deprived of employment she might be in even more danger of another illness.

ora. Be careful and not apply yourself Blanc, on the Courmayeur side of the too closely," he said, and so her work mountain. went on. Arley wondered where Philip could be

all this time. She wondered if he knew what she had been suffering during the last six weeks. If he had known and been there in the same city with her, he was certainly very unfeeling and cruel not to come to her, and at least offer her a word of sympathy in her extremity. A month passed, the passage money

was almost earned, and Arley had decided to sail on a certain steamer which would leave for England within the coming fortnight, when, one morning, servant brought an official-looking document to her. With a look of wonder upon her face,

which was growing wondrously lovely every day now-sickness and sorrow had given it a sort of refined beauty, such as it had never possessed beforeand broke the seals.

malities and legal terms puzzled her, passing through his temple.

but she kept on, until at last a low the hue of death, and she trembled so that the paper rattled in her hands.

LACTATED FOOD MAKES BABIES HEALTHY

Babies fed on a diet of Lactated Food lose their pinched, puny look almost immediately, their sleep becomes sound and restful, and their pale cheeks and blue lips grow full and ruddy. Hosts won as he pleased. The stake was of mothers are grateful to Lactated Food for the joy of seeing their pale, maries: drooping little ones turn into brighteyed, healthy babies that eat, sleep and probation, that he should have her grow in a way to delight a mother's

heart. A trial of only a few days will tell Arley raised her lovely dark eyes to its own story of the great worth of Lactated Food by the increase in baby's weight and by its gain in sturdiness and high spirits

If your baby is cross, fretful or peevish, is troubled with constipation, colic or diarrhea, if its sleep is short and healthy, then you may know that its food is disagreeing with it, and that the little one is in danger of disease. Put dear baby at once on Lactated Food, and it will grow hearty and strong.
