CANADA'S NEW ARMY

Lord Dunsford Says It Will Be Real Force of 100,000.

Ottawa, Feb. 27. — The annual meeting of the Dominion Artillery Association is in session. The morning session was devoted to viewing reports and hearing addresses. There was a large attendance, nearly every artillery unit in the Dominion being represented. It was 11 o'clock before the meeting opened with Col. Cotton, presiding. The Governor-General, who has attended every meeting since his arrival in the country, was present, and spoke encouraging words. Lord Dunsford, G. O. C. also spoke, emphasizing the superiority of the citizen army, and expressing the hope that the army on paper of 100,000 men in Canada would soon be a reality. He referred to the lessons already taught by the war in the east as showing the advantage of being prepared. He expressed best wishes for the artillery, and said it is to do the best possible work the country must provide money.

THE TRADE REVIEW

Business Greatly Improved in All Parts of Canada.

Toronto, Feb. 27. — Bradstreet's weekly review of Canadian trade says: Wholesale trade at Montreal this week displayed a little more activity. More retail buyers were in the city than for some weeks, and they were buying quite liberally, stocks having been pretty well reduced of late as a result of the severe snow blockades through the country. The conditions of trade generally are sound, and a considerable expansion is looked for the coming month as a result of the enforced contraction in the movement since the first of the year.

Many buyers were in the Toronto market this week from various parts of the Dominion for the purpose of attending the annual spring millinery sales which really mark the beginning of the spring season here, and many more are expected next week, when the formal opening takes place. Wholesale trade the present week has shown more life than since the turn of the year. The feeling is one of the past few days of bright spring-like weather is much more cheerful and immediate outlook is considered brighter.

At Quebec trade conditions are fairly satisfactory, and the outlook for spring is promising. Much business is still experiencing difficulty in calling upon their customers, owing to the heavy condition of the roads, and in some sections goods are being delayed owing to the same trouble. With good roads an improvement is generally expected along the various lines of trade.

A little more activity is being shown in some departments of trade at Victoria, Vancouver and other Pacific coast points this week, as reported to Bradstreet's, and the outlook for business is promising. Much prospecting and developing work is expected to be done in the mining field the coming season. Prices of staple goods are slow this month. The approach of spring is stimulating the purchase of goods at Winnipeg by retailers for assorting stocks. The retailers throughout the west are looking for another big turnover the next six months.

Business at Hamilton this week has been a little better and the outlook is for continued improvement. The trade has been much hampered in making shipments, and when the spring rush begins, it is feared retailers will be much inconvenienced. Prices of staples are firmly held. Collections have been slow this month. The approach of spring is stimulating the purchase of goods at Winnipeg by retailers for assorting stocks. The retailers throughout the west are looking for another big turnover the next six months.

Ottawa wholesale trade which has been quiet for some time is showing a little improvement. The retailers find that the season is getting on, and they are now inclined to order a little more freely. The outlook is for a good sorting business this year.

SHOWS IMMENSE INCREASE

London and Western Trusts Company Has Greatly Prospered.

The annual report of the London and Western Trusts Company, which was presented at the annual meeting held at the offices here on Feb. 18, is the most interesting report this company has ever shown. It will be read with interest by all who have followed the exceptional prominence gained by this company during the past year—the most prosperous year it has enjoyed since its inception. As is now generally known, the company during the past year has branched out considerably under its new management, and has assumed duties of great magnitude. It has done for the first time, and notably in the case of the Elgin Loan liquidation and the Shaw-Wood estate, to both of which the president, Mr. George C. Gibbons, K.C., was referred during the meeting. The report shows that in the year a very large amount of new business has been received, to such an extent, indeed, that the total assets, capital and trust, now amount to \$1,440,563.50, which is an increase over the previous year of \$68,145.60. The net earnings doubled during the year, and the trust funds are all invested in high-class first mortgages. Mr. George C. Gibbons, K.C., was re-elected president, and Messrs. John Labatt and J. L. Englehart, vice-presidents.

LOSSES LIGHT.

Toronto, Feb. 27. — Canadian insurance companies escape rather easily in the Rochester fire. Two Toronto companies, the Western and the British America, have some heavy risks in Rochester, and for a while the managers admit they were "a little nervous," but they estimate their total loss will be under \$20,000. The British America puts its loss at \$8,000, while that of the Western will be under \$12,000.

JAPS ATTACK TO THE DISPOSAL OF COVER LANDING PAUPERS' BODIES

Reason for Togo's Repeated Shelling of Port Arthur. Bill to Prevent Their Going to Medical Schools

TROOPS RUSHING TO FRONT IS OPPOSED BY THE DOCTORS

Scouts of the Rival Armies in Contact in Northern Korea—Port Arthur Poorly Provisioned.

London, Saturday, Feb. 27. — A report which emanates from St. Petersburg says the Japanese Minister at Seoul, Korea, has requested the Korean Government to hand the French minister his passport.

Official Russian and other dispatches show that there has been a succession of attacks or demonstrations by the Japanese at Port Arthur, probably undertaken with the intention of covering or preparing for a Japanese landing elsewhere, and possibly with the hope of inflicting further damage on the Russian warships and increasing the demoralization of the Russian forces. It would seem apparent that little damage was inflicted on either side, although the dispatches leave the exact situation at Port Arthur in some obscurity. The reported landing of Japanese troops near Vladivostok, has not yet been confirmed. This movement, however, is considered not improbable.

The Shanghai correspondent of the Daily Telegraph has sent in interesting news of Japanese military operations. He asserts that Port Dalny is being evacuated by the Russians, and that the Japanese are making use of these facilities. This correspondent repeats that the Russians have only supplies for two months at Port Arthur, and that a large number of Japanese transports have returned to Nagasaki, where they are busily engaged in embarking more troops to be taken to the vicinity of Port Dalny. Over 40 transports have left Nagasaki since Feb. 10, and a still larger embarkation has been proceeding from Ujini, near Hiroshima, on the inland sea, Ujini and not Kio, the correspondent concludes, will be the "sighted" each other Thursday morning at Suikoen, 25 miles north of Port Dalny. The Russians are not moving southward of the Tumen River, where the roads are extremely bad.

A dispatch to the Paris Mail from St. Petersburg says the repairs to the Russian warships which were damaged in the engagement on Feb. 9 are almost completed. The battleship, the Admiral Togo's recent operations have been devoted to facilitating Japanese movements on the Lia Tung Gulf or elsewhere.

"Russian and Japanese scouts," cables the Tokyo correspondent of the Times, "sighted each other Thursday morning at Suikoen, 25 miles north of Port Dalny. The Russians are not moving southward of the Tumen River, where the roads are extremely bad."

THE LONDON MUTUAL

Continued Success of Company Which Moved From This City a Year Ago.

Londoners and residents of this western district of Ontario entertain a keen interest in the prosperity of the London Mutual Fire Insurance Company, a company that began life and prospered for many years in this city. On Feb. 23 its annual meeting was held, the first since the head offices were moved from London, Ontario. Notwithstanding the removal of the company's headquarters from the Forest City in Canada, the London Mutual has greatly prospered the past year. Its assets now amount to \$74,796.55, which is an increase of \$108,160. The company has issued 23,597 policies in that time, and the total extent of the property now insured is \$74,846,500.20. The surplus over all liabilities is \$74,790.16. There are only a few of the interesting items mentioned in the financial statement, which appears in this issue, and which indicates the great prosperity of this company and the soundness of its business management.
