COLBORNE HARD HIT

Away and Much Damage on Waterfront.

Port Colborne, Dec. 8.—The furious southwest to west gale which prevailed here yesterday afternoon and last night has done considerable damage along the lake front. A portion of the eastern breakwater has been washed away and boathouses and Contractor Hogan's machine shop and also the railway spur line to the new Government elevator also have been damaged by the storm. The steamer Carleton from Fort William to Prescott, with wheat, commanded by Capt. J. A. Smith, which arrived at dark in the middle of the storm, entered the harbor safely. Marine men here say Capt. Smith exhibited the most skilfful seamanship in guiding his boat into the harbor in such a gale.
