

# LOCAL ELEVEN TO PLAY SOO; LONDON DROPS LAST GAME TO HAMS

## TIGERS TRIM AND REND LONDONERS IN LAST

Matte, Boston Red Sox Rookie Hurler, Helps in Putting Shoe On Other Foot—Dee Wild.

HAMILTON, Aug. 10.—Hamilton turned on London today in the third game of the series and gave them a sound 7 to 3 drubbing. Deloitelle who defeated Bill Morrisette here last year in the memorial 20-inning game, had nothing that the Hams couldn't hit and he was wild as well. Hamilton got a run in the first inning, one in the second, two in the third and three in the fourth, bunching their hits with passes. The Londoners struck a snag in Jack Matte, the Boston Red Sox recruit, who held them to eight scattered hits. Vandyke's running catch of Jack Blake's drive in the eighth inning with O'Rourke on first was the deciding feature. In the two previous games London outscored Hamilton. Today, however, the shoe was on the other foot, Hamilton looked better than the leaders. They played fine ball defensively and hit well in the pinches. The score:

Middleweight Championship Will Be Decided.  
BOSTON, Aug. 10.—Martin Killalea, manager of Johnny Wilson, middleweight champion, announced tonight that Wilson had been matched by Tex Richards to meet Bryan Downey in a twelve-round non-title bout at Jersey City on Labor Day. In a recent bout at Cleveland the referee awarded the decision to Wilson on a foul, but the Cleveland boxing commission announced that it had overruled the decision and would recognize Downey as champion on the ground that he had actually scored a knockout. The Massachusetts boxing commission has refused to recognize the action of the Cleveland body. Wilson will receive 30 per cent of the gate receipts and Downey 25 per cent. NIAGARA-ON-THE-LAKE, Aug. 10.—United States competitors again proved victorious in the majority of tennis championships here today, some of the most exciting games of the week being witnessed by a good crowd. The feature match of the day was that between Harold Taylor of New York, 1918 junior champion, and Frank Anderson, New York, American indoor champion, which resulted in a win for the latter, 6-3, 7-5. Clifford Herd of Chicago beat J. M. Laing of Waterloo, and then A. R. Bernhardt of Preston in straight sets. He served with terrific force.

## President Maines Wants To Talk to London Fans For An Hour Tonight

"Please arrange for a meeting of Messrs. W. H. Heard, Buzz Wetzel, C. S. Grafton, A. J. McGuffin, Ed. Stein, Joe Mickey, Neil Stryker, Ken Murphy, Norman Keene, Jack Hay, Mack Ferguson, Vern Ryan, J. G. Gunn, J. D. Eagan, W. G. Moore, Phil Tule, yourself and other representative London fans for Thursday night at Tecumseh House at 8:20 sharp. Will stop over between trains, so will have one hour for meeting. Detroit Club will be on same train. (Signed) G. H. MAINES." The above message was received last night by Secretary Rhodes of the Tecumseh Baseball Club. Why the Mint president should wish to hold converse with such a group at the present time is a bit of a poser, but doubtless some reason exists for the action. Something whippers a "troubled conscience" wishing to be relieved of its load of troubled thoughts. Perhaps the Mint head comes with a dove under each arm. Probably the shades of Crichtlow will attend the "seance," wraith-like and accusing? It may even be a ghost party! Who-o-o-o kno-o-o-o-ows?

Hurons Are Also Shut Out by Schwartz's Stellar Pitching.

KITCHENER, Aug. 10.—The Beavers played big league ball and completely reversed the tables on the Brants in the final game of the series here today, winning 9 to 2. Kirby pitched a steady game and was given alright support from all parts of field. Regan starred both at bat and in the field where he pulled several sensational catches. Babe Dye was the shining light for the visitors, his three hits including a long drive to right field. The shifting of the line-up appeared to have worked wonders for the locals. The score:

## MINT PATTERN

By C. S. G.

Bill Kuhn, instead of jumping a train for Kitchener, took one in the opposite direction. The big boy had been taken before he had his last one of the old Grand Trunk station was that he had helped London win a pennant and therefore deserved better treatment than to be passed around the circuit.

However, that is the lot of a ball-player. And there is little sentiment in baseball.

Hamilton Spectator:  
It's not the smooth-grained hickory. That makes the London team such terrors.  
But they thrive on Hamilton's errors.

You bet they thrive on errors. And on the pitchers, too. They don't need to play like supermen. To make the Hams look blue.

Curry is another sale prospect before the season is over. The big boy had been learning something every day since he jumped into the first game.

It is just possible that Foulkes, who was the third baseman, should be catching with the squad in the early spring, might have been given the preference over Curry if it had come to a choice just then. Foulkes was older and appeared stouter, and certainly wielded a wicked bat. But as it turned out, and Curry has turned out, Foulkes probably did the London team a favor when he decided to go back to the drug currier.

If Curry turns out a find, and he looks headed that way, it will be a bit of a feather for Buzz and a bit of luck. Lots of finds in baseball must be just as lucky.

Prinastone, take the day DeLave was found by President Maines. Those was a lucky day.

The Brants come here this afternoon for a three-day stay. They are going strong, but London should finish out the week with a good block for the profit column.

A Hamilton writer says:  
"Some of the writers in the Michigan-Ontario League cities have accused the umpires of giving the London team all the 'breaks.' It may only be a coincidence, but there were five real close decisions at first base yesterday and not one of them went in favor of Hamilton."

"They'll be accusing the man who makes up the standings of giving London the breaks, next."

Hamilton Spectator:  
The Hamilton Baseball Club is trying to purchase Stutz from the London club. The Cockneys are asking \$1,000 for the peppery little third sacker, but this morning Manager O'Rourke made an offer of a player and cash. While real definite answer has been received, there is a chance of the deal going through and it would mean a great deal to Hamilton, as third base has been the hard spot to find a suitable guardian for this season. Stutz is looked upon as being one of the best infielders in the league and is also a good hitter. On top of that he is a regular Nick Al-track for comedy.

Joe Reddy has won one game and lost three since joining the Hamilton team two weeks ago. But with good support he would have been credited with three wins and one loss. Two of the reverses he met with were caused by poor fielding behind him.

It was a shame to see Reddy meet with defeat yesterday, as he pitched splendid ball, and but one run should have been scored off him. He had splendid control, and had the Cockneys dizzy at times with the "stuff" he put on the ball.

Brantford Expositor:  
President Maines stays in Hamilton while in Canada. Despite all of the mix-ups into which the Mint prey has wandered in other parts of the circuit, he has certainly placed Hamilton back on the baseball map and his work there has earned him some well-deserved appreciation.

In the rest of the Canadian half of the Mint circuit, Prexy Maines is not exactly popular. Kitchener has been after him for a long time and between London and Brantford and the president there seems to be little love lost.

Dan Morgan has wired Charlie Hallet of the Army and Navy Vets in Toronto that Jack Britton, welter cham, will meet the winner of the Beatty-Barreau bout there on September 20. The weight will be 147 pounds and will mark the champ's first appearance in Canada.

## INTERNATIONAL 15-MILE YACHT RACE WON BY ENGLAND

Final Score of Event Was England 117, United States 88.

COWES, Isle of Wight, Aug. 10.—Great Britain today won the international six-meter yacht race from the team of four United States boats sent across seas to contest for the cup.

The sixth and final race in the series was won by the British racers by a margin of four points the home boats scoring 20 and the visitors 15. Previously the point score stood at 97 for the British craft and 72 for the United States, thus making the final score: Great Britain, 117; America, 88.

The course for today's race of 15 miles afforded less windward work than in the previous races. The United States boats got a good start with Grebe in second place, Sheila in fourth, Genie in sixth and Montauk in seventh. The British order of crossing the starting line was Jean first, Victoria third, and Polly fifth, with Fly A, eighth.

The first round was a great struggle between Grebe and Jean. Grebe had a slight lead at the first mark, but the Jean was ahead at the second and third marks and finished the round 19 seconds in front of Grebe. Grebe had had luck after the start of the second round, where she had gone ahead of Jean. The United States boat went around and

thus lost her place to Jean, with Victoria second and Montauk third. Last she managed to get free, but was third at the finish line.  
The wind failed in the second round and the race was a long-drawn-out one. The order of the finish was: Victoria, Jean, Grebe, Genie, Sheila, Fly A, Polly and Montauk.

Ruth Is Ahead of His 1920 Record  
Slugger Has Fifty-Two Games To Make Thirteen Homers.

NEW YORK, Aug. 10.—Babe Ruth hit his 42nd home run in the third inning of today's Yankees-Chicago game, and the hit, made off Hodges, put Ruth four days ahead of his 1920 record, when he made his 42nd homer off Shaw of Washington, on August 14. The Yankee slugger has 62 games in which he has hit thirteen home runs in order to surpass last year's record. If he continues hitting at his present rate he should obtain about 63 home runs for the season.

CLOTHIERS DEFEATED.  
Greene-Swift nine of the Manufacturers' League lost to the Bolt and Tugers crew, Queen's Park last evening by the score of 5 to 2. The Clothiers started the game off by getting two runs in the first inning on three hits. A feature of this inning was Steeper's three-base hit.

Lawrence, who started on the mound for the losers, was dickered in the second inning in favor of Mel Wray after he had been touched up for five hits. These, coupled with an error, netted the winners four runs.

After Wray went into the box the combination team only connected for two safeties.
