Blenheim beats Tilbury Millionaires to open.

Kent County League Opens With Heavy-Hitting Game.
Blenheim, May 31.—Before a good-sized crowd of fans, in an interesting ball game, Blenheim won from Tilbury in the opening Kent County League game here this afternoon, 11 to 10.

Heavy hitting by both teams was a feature, and at times looked playing on both sides accounted for runs. Tilbury had the better of the hitting, making 17 hits to Blenheim's 12. A long run and catch in center by Dr. Roehon of Tilbury was a feature.

Heavy hitters were Tibert, Dalgneau, Taylor and Canfield for Tilbury, and Truxa and R. Gray for Blenheim. Major J. B. Little opened the game, picking up a hit for Blenheim. The biggest 3d of starters since 1914, when Durbur 11, owned by the late Herman Durbur, won the event from a similar number.

The start of today's big event was delayed for some time through the breaking of the tape. Captain Cuttle, the winner, Lord Astor's Tamar and B. Walker's Craighaven, which finished second and third respectively, showed prominently throughout the race, but Ponderland, ousted from the position of favorite because of the sore foot he developed, never gave any sign of proving a winner. The best of the lot was a 2 minutes 34 3/4 seconds.

GALT TERRIERS WIN THIRD STRAIGHT GAME 9 TO 4
Kitchener Falls Away Before Heavy Willow Attacks.
GALT, May 31.—The Terriers won their third straight league game tonight when they defeated Kitchener 9-4 in a very fair exhibition before a big crowd. The locals used the willow with a vengeance, handling Steinberg and Kitchener some. Alvin Watts, a home run player to go a-Ruthing, Wilbur Kress lent the full route for Galt, struck out seven and had a triple and double. His credit at bat. Wally Grove pulled off the fielding feature with a shoestring catch.

IF THIS PLAY COMES UP Here's Your Decision
IF with a runner on runners on the bases, the batsman hits a fly to the outfield, the runners on the bases shall have the right to advance the moment the ball touches the hands of the fielder making the play. Often the fly ball is juggled a number of times before the fielder finally retains possession of it. Such juggling, however, must be no consideration relative to the runner. The runner may advance at his own base until the ball was finally held, fielders would constantly juggle the ball as they ran in with it toward the infield. That would deprive the runner of any protection. That is why the rule reads that the base runner shall have the right to advance the moment the ball strikes the hands of the fielder making the play.

CAMLACHIE BEAT WYOMING.
MONTREAL, May 31.—The most exciting baseball game of the season was played on the Camlachie grounds Tuesday night, when the home team won a close victory from the Wyoming team. For a while it looked as though the visitors were going to walk away with the game, but the C. A. C.'s crept up till the score became a tie. In the last inning Welsh made a home run, which broke the tie and won the game, making the C. A. C.'s head of the league. The return game will be played in Wyoming on Friday.

MONTREAL BOOKIES HIT.
MONTREAL, May 31.—Local bookmakers were hard hit by Captain Cuttle's win in the Derby today. Hundreds of members of the Dickens' Paddock backed the horse as a "hunch."

AS JOE MCGINNITY ONCE LOOKED Old Iron Man Still Capable "Pro" in Own Minor League Club.

HOW many men of 49 could step out on the mound and pitch nine full innings of baseball in a professional league, even though only a minor one? And how many could perform this stunt and win?

In answer to the second—Joe McGinnity, at any rate. McGinnity, 49, is a professional pitcher for the Three-Eye League.

McGinnity started ball playing at Rock Island, Ill., his native town, at the age of 15. He has lived an athlete's life ever since. Famed though he was, in his days in the big leagues, for his ability to pitch and win double headers, the strain never told on Joe's arm, as his present ability proves. Irregular living, not work, he holds, sends men to the scrap heap, and he never took better care of himself than Joe.

NEW THAMESVILLE BALL PARK OPENED.
THAMESVILLE, May 31.—Ferguson Athletic Club, the new grounds of the Thamesville Baseball Club, which has been under construction for several months, was opened today. A large crowd estimated at well over 1,000 witnessed the opening game in the Kent County Senior Baseball League between the Thamesville club and the home team.

Fifty-one years ago this month, in May, 1871, the first game of baseball was played in this town, and one of the players of that time, Postmaster John Duncan, caught the first ball which was pitched by the late John P. Walker, the local line in the early eighties. Nelson Graves of Chatham, a former pitcher locally, was the first man to bat. The park, which covers five acres, was donated to the town by the late Robert Ferguson.

MURPHY'S RECORD MAY BE RAISED.
Muxup Over-Time Will Be Announced Shortly.

INDIANAPOLIS, May 31.—Jimmy Murphy, the smiling, boyish Los Angeles, Cal., youth, today holds the distinction of being the fastest driver in the world to win the premier automobile races of two continents, the French Grand Prix and the 500-mile race over the Indianapolis motor speedway here yesterday.

Some of the glory and also some of the prize money that Murphy was generally believed to have gained yesterday slipped away overnight, however.

Murphy was credited with holding the lead throughout the race and winning all the prizes offered for leadership in the various laps of the contest, but speedway officials early today announced that there had been some miscalculations, and that apparently Harry Hartz, another Los Angeles racer, who finished second, had held the lead during part of the race, and was entitled to some of the lap prizes.

There was also some question as to the authenticity of Murphy's record time, which had been around 5:17-30.75, which is 16 minutes better than the record established by Ralph de Palma in winning the race in 1915. De Palma's time was 5:33-55.51.

Officials said they expected to complete the tabulation some time today, but they did not expect to make any changes in the standing of the winners, but it might affect Murphy's record, and also the determination of lap prizes.

WOODSTOCK CITY TITLE IS DECIDED.
WOODSTOCK, May 31.—Woodstock Uniteds captured the junior championship of the Woodstock City Football League tonight by defeating the Colts, 2 to 0, in a well-contested game. This means that this team will receive possession of the next year of the handsome silver trophy presented by Alderman E. A. Rea and James Gunn, two of the local veterans of the game.

MOLLA BJURSTEDT MALLORY BEATEN.
CHISWICK, England, May 31.—Mrs. Beamish, a British player, today defeated Molla Bjurstedt Mallory, United States women's champion, in the third round of the women's singles for the Middelsex championship. The score was 6-2, 6-4.

ALL SAINTS BEAT TALBOT STREET BAPTIST 13-1.
All Saints got their second straight win of the season when they defeated Talbot Street Baptist Church last night by a score of 13-1 in an Intermediate Church League baseball fixture. Chapman, who pitched for the last night, hit freely, and Spence, who replaced him, was also no puzzle for the All Saints. The winners used Generaux and Bice effectively, and the Talbot Street crew got their only run on an error.

Batteries: Talbot Street Baptist—Chapman, Spence and Shott; All Saints—Generaux, Bice and Pock. Referee—Johnston of Seaford.

MEADOWS HOLDS GIANTS.

The timely hitting of Heinlie, Williams and Lee was a feature.

DODGERS BUNCH HITS.
BROOKLYN, May 31.—Brooklyn bunched two doubles and a single for two runs in the fifth inning, and won the game, beating Boston 4 to 1 and winning the odd game of the five-game series.

Hamilton Finding It Out.
The paid attendance at Saturday's game here was 2,168, and it might have been larger if the rains had not been so much a one-sided score on Friday. Having a winning team appears to have its drawbacks along with its advantages.

Convinced that Michigan-Ontario League baseball can be made a paying proposition in Kitchener, the directors of the club on Saturday released "Tex" Erwin as manager of the club, and accepted the terms of a contract which gave him the right to manage the team for the remainder of the season.

Erwin, who has been with the club since 1914, was highly recommended as a manager, but his lack of experience in developing young players, and his tendency to be over-zealous, were the main objections to his appointment. The young players looked their confidence.

In Flynn the club owners have secured a manager who has had experience, and in addition, will fill the position of a coach, which will be greatly strengthened. Since playing the initial game for the Toronto Leas Flyers, Erwin has been with the club, and last year carried off the home-run king, and was named as the best player in the league.

The release of "Tex" Erwin was followed by an episode which gave Kitchener directors considerable anxiety for a few hours. After being paid for his entire season, Erwin issued a release form to Charles Hindt, the star third baseman of the club, who is destined to higher company in the near future. Hindt was preparing to leave the club, and the directors of the club were informed of Erwin's action. With the co-operation of the manager, Erwin was able to get the release form signed by Hindt, and the club was able to keep him.
