## TRADE HEAVIER ON GREAT LAKES

Marine Companies Secure Fuel and Trade On St. Clair River Increases.

## Cargoes To Be Shipped From conductor of Queen Street East Pres-Duluth To Overcome Stevedore Strike.

Special to London Advertiser. SARNIA, Aug. 22.-Traffic on the ELECTRIC POWER CONTRACTORS Great Lakes is now heavier than at for the day as guests of Mr. and All classes electric power, repairs, any period in the present season, and Mrs. Mark Drysdale, members ention, quick service. When you have which tied up a number of vessels which tied up a number of vessels for several weeks the season will, on the whole, be one of the most suc-

> A number of marine companies have apparently been able to procure recent supplies of coal, and the St. Clair River is busier than ever Marine authorities also point to the Chatham Residents Protest probability of freight vessels working an unusually late season owing to the great amount of wheat and flour and numerous commodities to be noved westwards. Ore vessels are in full employment, the Pittsburg fleet is noticeably working at full pressure, and many Cleveland vessels are also passing this port. The Reiss and Hutchinson, both large fleets, have been operating in general freight and smaller fleets have been extremely busy in the lumber and limestone trade. Aside from the scarcity of coal cargoes this season has been excellent throughout.

Load at Duluth. That eastbound freight normally oaded at Fort William and shipped by lake passenger steamers to Sarnia will be sent by rail to Duluth and loaded at that point, was the statement made today by H. S. Gildersleeve, manager of the Northern Navi gation Company. This action will be taken as a result of the strike of stevedores at Fort William and Port

The steamers Hamonic and Huronic were loaded on the last return from the west by members of their crew and assistance which had been taken from Sarnia to offset the effect of the strike.

s no probability of a strike among absence was first noted. the Sarnia dock men, who have been performing their duties quite contentedly.

A city-wide search was instituted by the police and officials of the local house of refuge to find Joe Flora, 50, who has been missing from the institution since Saturday. The of ficials are at a loss to know what has happened to the man, and are other inmates of the institution that they saw the missing man being led away from the refuge farm by two strangers.

Toronto, Aug. 23.—A 2-point decline in Toronto Railway was the feature of the local stock exchange this morning. Opening at 7914, an over-night loss of 34, light trading brought a further decline of 1½, with the close at 78, showing a net loss of 2 points. Elsewhere in the listed section price changes were small, fluctuations being confined within half a point. Mines and government loans were also quiet.

Toronto, Aug. 23.—Atlas and West Dome were among the best sellers at the Standard Stock and Mining Exchange this morning. West Tree also presented a long sales list, 29,000 shares at 11c and 11½c. Among the big fellows Dome was strong at \$37.40 to \$37.70, while Holly brought \$11.95 and McIntyre topped at \$20. The market on the whole was fairly firm, with good trading. Toronto, Aug. 23.—Cattle—Receipts, 614. In addition there are 730 export cattle billed through. Fresh receipts are light, but there are 1,200 stale cattle to get rid of. The general quality is poor, and the market is dragging, with prospects of 25c reduction on the common to medium killers. Cows are steady, bulls strong to 25c higher. There is a fair stocker and feeder trade. Quotations: Hanvy best stears. \$7.0%: but-
