War Office Does Not Deny Reports of Movement on South Africa.

Redvers Builer Anxious to Sir Settle Old Score With the Boers.

Contribution Towards Defence of Empire.

By Associated Press.

London, June 24.-The rattling of swords in their scabbards grows more pronounced, though the war office refuses all information regarding the Transvaal situation and declines to confirm or de-Pittsburg, June 26.—All the tin plate ny the reported circumstantial asserwork in the country will probably be tion of the closeting of military leaders

> of the war office, Mr. George Wyndham, yesterday evening is considered portentiously significant. He was questioned as to the truth of the report that the British garrison in South Africa was to ON FATHERS. be gradually increased to 40,000 men. Had the government wished to give a pacificatory answer with the view of allaying the anxiety here and at the Cape, the question offered ample opportunity, but Mr. Wyndham replied in two words: "No sir."

The truth is that whatever plans the government has decided on, the ministers regard it is impolitic to contradict reports, however extravagant, of war-like intentions. While it is not true that General Sir Redyers Buller has already been appointed to command, he has been heard to remark in private conversation that he reserved himself for a "go" at the Boers, to repay some

hig military expenditure of \$20,-000,000 as provided for in the military works loan bill introduced in the House of Commons June 21, has caused some ture is made absolutely necessary by the able innings to-day, scoring 558 runs and

increases of the army.

The contrast of the proceedings in the most in its programme, advocated the House of Commons and at The Hague has been much commented upon, while a great deal of dissatisfaction has been aroused by the intimation conveyed by the proposed fortifications of the har-bors that Great Britain cannot rely on her navy to defend her coasts. Rear Ac opposed the fortifictions, taking the same grounds as Captain Mahan, U.S.N., that xpenditures ought to be voted to mooile instead of fixed defences, saying he thought that if Great Britain was un able to attack her enemies at sea, the

Empire would not last long.
