lew millers in Ontario are offering No. 1 Manitoba hard wheat for sale. They ask 84c, Toronto. This price would net them more than selling it in the shape of flour. Manitoba wheat is a scarce article since supplies were shut
off from Buffalo by the order from Ottawa to impose the duty on the stuff
brought down from Port Arthur in
American bottoms and intended originally for export to Britain.

The meeting of the Astronomical and Physical Society this week was chiefly nevoted to the reading of reports of pbservations of the lunar eclipse of March 10. Mr. A. F. Datario License Holders Elect Officers and Transact Other Business. At the Ontario License Holders' convention yesterday, after a long discussion, it was decided to petition the Legislature to cause their provincial inspector to make inquiries as to the alleged violation of the Ontario Act by institutions with club privileges, who sell liquor contrary to the act. This question is evidently a sore one with the hotelkeepers. These officers were re-elected: President, Harry Maxey, Hamilton;	The general state of trade at Montreal is just about as reported last week; in no line has there been any increased movement, but with the advent of spring freight rates in the beginning of next month some improvement is anticipated. Letters from Montreal buyers now in England report exceedingly heavy purchases of worsted by the American trade, causing some scarcity of stocks, and it is thought some advance is not improbable. Iron and heavy metals remain very dull, and in some lines, notably tin plates, there has been quite a slump in prices. The trend of trade appears to be in the direction of improvement.
