RACING IN SULTRY WEATHER

SIX EVENTS DECIDED AT THE N.C. TRACK.

Morphy has a Canadian Record for his Furlongs Doing the Distance in 1:14.3-4 Mr. Davies Scores Two Pop-ular Victories—How the Races Were Won and Lost.

Upwards of 4000 were in attendance at the Hamilton races yesterday. The weather was sultry and the officials showed commendable alacrity in getting through the program at a rapid rate.

Some enterprising Hamilton citizens sold a misleading program to many on the outside, but they were only compelled to buy by their earnest card when they reached the grounds.

The attendance was a fashionable one, and included His Honor the Lieut-Governor, Mrs. Kirkpatrick, Sir Frank Smith and many notables.

Through the fields were small, the "stragglers" being numerous, the racing was pretty good, notwithstanding the heat.

The 2-year-old race had four starters, with Pyramis an odd-thing, as usual at the public supported Seagram's filly, while the talent went down on Kilrona.

Trainer Burgess' charge took the lead at the quarter and was easily leading at the half, but was overtaken by the favorite, who won as he should.

A most peculiar incident happened in the Wellington Handicap, at a mile and a quarter, and which was not discovered until the race had been decided.

Starter McLaughlin, no doubt forgetting that the track was a mile and a sixteenth, took the horses a quarter of a mile up the stretch, thus making the distance they made 1:51.2.

In timing the horses the error was discovered, and the race was stopped. The distance required the race was officially declared all right.

It was a heavy betting affair between Lord Nelson and Coquette, while Totia was fancied by many, and well supported. Lotus being the outsider.

At the place, Rover, who was running well at the time, fell at the "double," but Charlie Blair escaped without injury. Had Rover not come to grief, it is doubtful if the others would have beaten him.

Pat Oakley evidently did not look like the best horse in the race, but was unable to keep him up through the field. The Prince of Wales Plate for Canadian 3-year-olds resulted in an easy victory for Bonfield, who won all the way.

Hamilton Entries. First race—Bantam Purses, for 3-year-olds and upwards; 5-1/2 furlong heats: 1. Bonfield, 2. Rover, 3. Totia, 4. Lotus, 5. Coquette, 6. Lord Nelson.

NIAGARA RIVER LINE STR. CHICORA Saturday Afternoon Niagara, Lewiston or Queen—75c Boat leaves Geddes' Wharf 2 p.m.

The following letter from a well-known Torontonian was received at Oakville yesterday: Toronto, May 1, 1895.

The Medical Superintendent, Lakehurst Institute, Oakville: Dear Sir,—Nearly six months ago, for good and sufficient reasons, I availed myself of the Lakehurst Cure Treatment, and now drop you a line to let you know your assurance of the success of the treatment is an established fact.

In my case, and I am speaking from the heart, it was in gratitude to the thought that I possessed me on going there shadows of bolts and bars, isolation, restrictions and narrow treatment crept into my brain and how on earth could a man of my age be endured with the terrible efforts that I must put forth to stop drinking! Pros- perity, what a change! I am now the most homelike of places, arranged with a view to enjoyment, and peopled with a lot of good fellows learning how to best enjoy life.

All I had to do was to pitch in and have a good time, which I did, and have a change! I am now the most homelike of places, arranged with a view to enjoyment, and peopled with a lot of good fellows learning how to best enjoy life.

All I had to do was to pitch in and have a good time, which I did, and have a change! I am now the most homelike of places, arranged with a view to enjoyment, and peopled with a lot of good fellows learning how to best enjoy life.
