AYER'S PILLS.

A new and singularly successful remedy for the
cure of all Bilious diseases—Constipation, Indi-
gestion, flatulency, Dropsy, Rheumatism, Foot of
Gout, Humors, Nervousness, Irritability, Inflamma-
tion, Headache, Pains in the Breast, Side, Back,
and Limbs, Female complaints, &c., &c. Induced
very few are the diseases in which a Purgative Medi-
cine is not made or less required, and much sick-
ness and suffering might be prevented, if a harm-
less but effectual Cathartic were more freely used.
No person can feel well while a habit of
body prevails; besides it so generates serious and
often fatal diseases, which might have been avoided
by the timely and judicious use of a good purgative.
This is alike true of Cold, Febrile symptoms, and
Bilious derangements. They all tend to become
chronic, and the more they are neglected, the more
difficult is the cure, and the more dangerous the
consequences. A reliable family physician is of the first importance to
the public health, and this Pill has been perfected
with consummate skill to meet that demand. An
extensive trial of its virtues by Physicians, Profes-
sors, and Patients, has shown results regarding
anything hitherto known of any medicine. Cures
have been effected beyond belief, where they not sub-
stantiated by persons of such exalted position and
character as to forbid the suspicion of fraud.
Among the eminent gentlemen to whom we are
allowed to refer for these facts, are
DR. A. HAYES, the distinguished Sur-
geon of New York City.
DR. A. HAYES, Practical Chemist of the
Port of Boston, and Geologist for the State of Mas-
sachusetts.
DR. L. A. MOORE, M. D., an eminent Surgeon and
Physician, of the City of Lowell, who has long used
them in his extensive practice.
DR. H. C. SORREY, M. D., one of the first me-
dical men in New York City.
DR. C. A. DAVIS, M. D., Surg. and Surgeon of the
United States Marine Hospital, Chelsea, Mass.
Did space permit, we could give many hundred
such names, from all parts where the Pills have
been used, but evidence even more convincing than
the certificates of these eminent public men is
shown in their effects upon trial.

These Pills, the result of long investigation and
study, are offered to the public as the best and
most complete which the present state of medical
science can afford. They are composed not of
the drugs themselves, but of the medicinal virtues
only of Vegetable remedies, extracted by chemical
process, in a state of purity and combined together
in such a manner as to insure the best results. This
system of compounding for medicines has been found
in the Chertsey Patent and Pills, to produce a
more efficient remedy than had hitherto been ob-
tained by any process. The reason is perfectly ob-
vious. While by the mode of composition, every
medicine is burdened with more or less of ser-
vices, and in proportion to the quantity of the
individual virtue only that is desired for the curative
effect is present. All the inert and obnoxious qual-
ities of each substance employed are left behind, the
curative virtues only being retained. Hence it is
self-evident the effect should prove as they have
proved, namely, a healthy and a happy state of
the system, and a powerful antidote to disease than any
other medicine known to the world.

It is frequently asserted that my medicine
should be taken under the counsel of an attending
Physician, and as he could not properly judge of a
remedy without knowing the constitution, I have
supplied the accurate Formula by which both my
Purifier and Pills are made to the whole body of
Practitioners and Patients, and have been
used in every part of the world, and have been
found to be a powerful and a happy state of the
system, and a powerful antidote to disease than any
other medicine known to the world.
Of all the Patent Medicines that are offered, how
few would be taken if their composition was known.
For this reason, I have supplied the Formula by
which my medicine is made, and have been
found to be a powerful and a happy state of the
system, and a powerful antidote to disease than any
other medicine known to the world.

They operate by their powerful influence on the
internal viscera to purify the blood and stimulate it
to healthy action, and by the action of the
stomach, bowels, liver, and other organs of the
body, restoring their irregular action to health, and
by expelling whatever is superfluous, such as
acids, and all the first origin of disease.
Being sugar wrapped they are pleasant to take,
and being purely vegetable, no harm can arise from
their use in any quantity.
For minute directions, see the wrapper on the
Bottle.

alytical Chemist, Lowell, Mass.
