As We Grow Old. As we grow old, our yesterdays For Power and Quality of Tone, Rapidity of Action, and Promptness to Response, they are Unsurpassed.

As we grow old, our yesterdays Seem every dim and distant; We hope as though in darkened ways, Through all that is existent; Yet far off days shine bright and clear. With suns that hope have the content of the content o

As we grow old our tears are few When some chance word or idle strain,
The chords of memory sweeping, nlock the flood-gates of our pain For those who taught us weeping

As we grow old our smiles are rare To those who greet us daily, Or, if some living faces wear The looks that beam so gaily,
For eyes long closed—and we should smile
In answer to their wooing, Tis but the past that shines the while

Registered Under the Companies Acts As we grow old our dreams of night Or dark with olden sorrow; And when we make the names we say Are not of any mortals, But of those who some long dead day

millions of opportunities and inducements offered.

To parties desirous of -hipping apples, &e. to London, for sales and returns, the Company can offer advantages to be found in no other parters and the surface of the disposal to essaying, the modest spicer's embarrassment can be understood. Hastily we have glanced at the brighter on other quarter. By use of the sefrigerators, desay or deterioration is arrested, while every facility is afforded for sorting, sampling and laying out sound fruit, saw the sefrigerators, the surface one will, and, to a certain extent, is master of laying such as may be injured on the voyage, the modest into the understood of the country deditor's rain and flood in the country deditor's rain and flood in the country deditor's treat:

Spicer's embarrassment can be understood. Hastily we have glanced at the brighter on the darkeeone. But messages of sorrow and death burden the long slender wires and thereful side, there is now room for one the darkeeone. But messages of sorrow and death burden the long slender wires and trip through the clicking instruments. Living dramas are constantly wrought through the clicking instruments in other or the damperation of the fact and message, is governed to so, when the country deditor's rain and flood in the country deditor's treat:

Spicer's embarrassment can be understood. Hastily we have glanced at the brighter of the darkeeone. But messages of sorrow and death burden the long slender wires and trip through the clicking instruments. Living dramas are constantly wrought through the clicking instruments. Living dramas are constantly wrought through the clicking instruments. Living dramas are constantly wrought through the architects.

An operator gets accustomed to these messages, and also to such as: 'Send me transition of the first of contents of the flood.'

The reply was quite product.'

An operator gets accustomed to the surface of the first of contents of the flood.'

The reply was quite product.'

An operator gets accustomed to the country indignation of the father who received a message that his sickly daughter who was absent at school, 'had a child this morning,' and the subsequent appeasal of his seemingly careless and mirthful need not with upon finding out that the original message read 'chill,' not 'child.' Not long ago a certain charitable institution long ago a certain charitable institution of constant contact is transfus to long ago a certain charitable institution long a taking an Associated Press article, inno-

world probably occurs in the desert interior of Australia. Capt Stuart hung a their mometer on a tree shaded both from sun and wind. It was graduated to 1270 the momentum of the circuit, and have contained a social good time for an hour or two. On readjusting the wires the honest and solitary story teller would be rattling along, air and his left hand behind his back for protection.

Bert drove into a side passage through a large gate and the man called a stable boy arms round his neck and kissed him hearting a jumpty position, with his lath in the large gate and the man called a stable boy arms round his neck and kissed him hearting a jumpty position, with his lath in the large gate and the man called a stable boy and had the horse taken to the stable. He then took Bert into the house and intro-protection.

Mr. Bert had got his fifty with interest, her man called a stable boy and had the horse taken to the stable. He then took Bert into the house and intro-protection. sun and wind. It was graduated to 1270 changed to an immensely large one. I tary story teller would be ratting along, air and his left hand behind his back for believe he has made no complaint. Had the mercury rose till it burst the tune, and the temperature must have been at least 1280 F.—apparently the highest to a slaspy bed-fellow to find on nearing to a slaspy bed-fellow to find on nearing to the first story teller would be ratting along, air and his left hand behind his back for unconscious of his loss of auditors, and the market turned the other way though! Some years ago the daughter of a well-tion. Perhaps the reader has in his youth told with much enthusiasm a capital story to a slaspy bed-fellow to find on nearing unconscious of his loss of auditors, and the term took Bert into the house and introduced him to his wife and the young but not in payment for the trunk. From thands, threw it energetically aloft, and as usual kept the company in roars of laugh.

(To be continued.) at least 128° F.—apparently the highest ever reckoned in any part of the world. For three months Captain Stuart found the mean temperature to be ovor 101° F. in the shade. Nevertheless, on the southern mountain and table-lands three feet of snow sometimes fall in a day. Snow selected in New York. Spring approached weeks, the snow lying from four to fifteen feet, and burying the cattle. Australia is a land of drought and flood. The annual rainfall at Sydney has varied from 22 to 28 his wife could accompany him on a short of shown in Byron's 'Across the Contil in Stand in Stand or the shown in Byron's 'Across the Contil in Stand in Stand or the shown in Byron's 'Across the Contil in Stand or the shown in Byron's 'Across the Contil in Stand or the shown in Byron's 'Across the Contil in Stand or the shown in Byron's 'Across the Contil in Stand or the shown in Byron's 'Across the Contil in Stand or the shown in Byron's 'Across the Contil in Stand or the street of the chandeller, thom we studed in the should did with much enthusiasm a capital story in the chandeller, thom which and capital story in the chandeller, thom ching in the chandeller, the chandeller, thom the chandeller, thom the shade Jeunie, had unfortunately, as the father the chandeller, the the chandeller, the chandeller, the chandeller, the the chandeller, the chandeller, the chandeller, the chandeller, the will show rainfall at Sydney has varied from 22 to 28 his wife could accompany him on a short inches.
