**“The Piano Beautiful”**

**M**A RTIN-ORME instruments are built under the expert guidance of a recognized Genius in the theory and practice of acoustics and tone.

They are the resulting combination of careful workmanship and fine materials—when in the guiding hands of a *Master Craftsman*.

The entire Martin-Orme Plant and Organization is concentrated on the production of *one quality* of instrument—and we have the necessary experience to achieve the highest attainable result.

Dealers find—despite heavy costs of grade A1 labor and materials—that the qualities of Martin-Orme pianos steadily advance.

*They are built to be your leader.*
