From Mrs. Macallum, President.

320 EARL STREET, KINGSTON, ONT.

DEAR Mrs. SANDERS, -In response to your request I send brief account of my visit to the West, in the interest of or

Woman's Board.

On the 21st of September I left home for Toronto where attended the meeting of the "Keswick Brethren." The Guelli Branch was my starting point. The churches visited were Guelph, Fergus, Belwood, Garfraxa, Speedside, Kincardin, Wingham, Listowel, Woodstock, Paris, Burford, Scotland Brantford, Hamilton, Toronto, Stouffville, Pine Grove, Box manville, Cold Springs and Cobourg. The Missionary work was presented in twenty-three different churches, thirty five meetings in all, fifteen for women, twenty at church praye meetings and Sunday services. At the woman's meetings the service was in the form of a conference, where questions we asked and information given. Two points were made promise inent-First, that every woman in the church be encouraged to become a member of the Auxiliary, and second, that giving one some systematic plan be adopted, and the subject be studied and one of the monthly meetings, also that we remember our Mission aries in prayer first and always, then send them occasionally bright letter, a book or magazine that has been helpful to our velves. The public meetings were of a more general missionar character, our mission in Africa taking the prominent place. The women of the churches in Scotland, Brantford, and Parkdale, Teronto, were organized into auxiliaries, and Kincar 4

dine was encouraged to again take up the work which for some

months had been dropped.

Some churches were not prepared for a visit, and others had not been included in the arrangements. Perhaps at some futural

time these may be visited.

Every where I received a most hearty welcome, and the ministers were exceedingly kind in the arrangements they have made and the willingness with which they entered into the plan made for enlisting the women of their churches in missionary work. The collections given covered all expenses and enable me not only to refund the \$20.00 given me from the treasure but also \$9.00 additional.

Great regret was expressed that we are not to have a doctor sent out to Africa this year, so many were ready and anxious to

send hospital supplies.

I found the Rev. Mr. Hill's map of our African Mission or
