Chronic

Catarrh destroys the sense of smell and taste, consumes the cartilages of the nose, and, unless properly treated, hastens its victim into Consumption. It usually indicates a scrofulous condition of the system, and should be treated, like chronic ulcers and eruptions, through the blood. The most obstinate and dangerous forms of this disagreeable disease

Can be

cured by taking Ayer's Sarsaparilla. I have always been more or less troubled with Scrofula, but never seriously until the spring of 1882. At that time I took a severe cold in my head, which, notwithstanding all efforts to cure grew worse, and finally became a chronic Catarrh. It was accompanied with terrible headaches, deafness, a continual coughing, and with great sorrows of the lungs. My throat and stomach were so polluted with the mass of corruption from my head that Loss of Appetite, Dyspepsia, and Emaciation totally unfitted me for business. I tried many of the so-called specifics for this disease, but obtained no relief until I commenced taking Ayer's Sarsaparilla. After using two bottles of this medicine, I noticed an improvement in my condition. When I had taken six bottles all traces of Catarrh disappeared, and my health was completely restored. — A. B. Cornell, Fairfield, Iowa.

For thoroughly eradicating the poisons of Catarrh from the blood, take

Ayer's Sarsaparilla.

saparilla. It will restore health and vigor to decaying and diseased tissues, when everything else fails.

Prepared by Dr. J. C. Ayer & Co., Lowell, Mass.

Catarrh

Is usually the result of a neglected "cold in the head," which causes an inflammation of the mucous membrane of the nose. Unless arrested, this inflammation produces Catarrh which, when chronic, becomes very offensive. It is impossible to be otherwise healthy, and, at the same time, afflicted with Catarrh. When promptly treated, this disease may be

Cured

by the use of Ayer's Sarsaparilla. I suffered, for years, from chronic Catarrh. My appetite was very poor, and I felt miserably. None of the remedies I took afforded me any relief, until I commenced using Ayer's Sarsaparilla, of which I have now taken five bottles. The Catarrh has disappeared, and I am growing strong and stout again; my appetite has returned, and my health is fully restored. — Susan L. W. Cook, 909 Albany street, Boston Highlands, Mass.

I was troubled with Catarrh, and all its attendant evils, for several years. I tried various remedies, and was treated by a number of physicians, but received no benefit until I commenced taking Ayer's Sarsaparilla. A few bottles of this medicine cured me of this troublesome complaint, and completely restored my health and strength. — Jesse Boggs, Holman's Mills, Albernarle, N. C.

If you would strengthen and invigorate your system more rapidly and surely than by any other medicine, use Ayer's Sarsaparilla.

It is the safest and most reliable of all blood purifiers. No other remedy is so effective in cases of chronic Catarrh.

Sold by all Druggists. Price \$1, six bottles, \$5.

HOUSE DECORATION

ELLIOTT & SON are gratified to be able to state that their last season's trade was the most satisfactory in the thirty years' existence of the firm. They attribute the popularity of their efforts to a careful judgment on their part in the selection of designs and artistic taste in their arrangement. With the advantage of a very large decorating business, they are enabled to judge of the effect of various styles of design and colour, and to use the same invaluable experience in the choosing of all their materials, from the cheapest to the most costly. They have pleasure in announcing below some of the leading lines for the coming season:

WALL PAPERS.

The unrivalled productions of Messrs. Jeffrey & Co., of London, England, were one of the chief attractions at the Arts and Crafts' Exhibition, lately held in London. The Victorian series of Wall Papers made by this firm and designed by Lewis F. Day, Walter Crane, J. D. Sedding, and others, are well represented in our stock. All other lines made by this firm, from 12c per roll upwards, are in the most perfect taste and allow of the selection of really artistic hangings, at prices usually paid for commonplace designs. We are sole importers of Messrs. Jeffrey & Co.'s productions. We will also show a beautiful line of Liberty's Wall Papers, designed and coloured especially to harmonize with their celebrated silks and hangings. These papers are not at all expensive, and will no doubt find a large sale. We have, beyond question, the largest stock in Canada of Japanese and French Leather and Relief Papers, among which are to be found some of the most delightful conceptions in decorative art. Our importations of Japanese leathers direct via British Columbia will embrace the productions of three establishments, including the Government factory.

AMERICAN PAPERS.

We have made a careful selection of designs by the best American manufacturers only, the continued cutting in prices having caused deterioration in quality in many lines.

WASHABLE SANITARIEN

Have always formed an important feature in our stock; and encouraged by past success we have greatly enlarged our range of designs for the coming season. Prices at from 20c. per roll upwards.

RELIEF MATERIALS.

The tendency of high class interior decoration at the present time is in the direction of effects in relief. We are the only firm in Canada executing

comb and stucco work artistically, and carrying a full stock of relief ornaments for all purposes. Our range of designs in Paper Stucco for cornices, centres, friezes, mouldings, etc., is immense, and as we import direct, we are selling much below the price of any goods brought to this country via the United States. We also show a matchless line of original Relief Friezes, modelled in our own atelier, and capable of exquisite decoration.

LINCRUSTA WALTON

Continues to hold the lead as a practical relief wall decoration, and is shown in a number of new designs. Our stock consists of both English and American makes, and is always very complete.

ROOM MOULDINGS.

A range of special designs in all sizes of American mouldings, at low prices. Every design sold exclusively by us. Specialties in picture hooks.

STAINED GLASS.

Our last season's work in this beautiful art showed a complete appreciation of the capabilities of all the new forms in which glass is now made. We will introduce some very novel effects during the year in the use of opalescent glasses for domestic work.

PARQUETRY FLOORING.

We sell the best American-made thin wood flooring and wood carpet, and quote either to supply or lay and finish complete in borders and all over floors. Specimen floors laid in our show rooms.

HAND-PAINTED FILES

Painted in our establishment and made to any style of design required.
