

**MONTREAL MINING EXCHANGE**

**NORTH STAR LISTED THIS MORNING— VIRTUE REMAINS STRONG AND ADVANCES — DEER TRAIL RECOVERS SHARPLY.**

Montreal, Oct. 25.

The trading this forenoon was inclined to run into specialties Virtue and Deer Trail monopolizing nearly all the attention of traders.

In both instances we have good accounts to give, Virtue being firm and active, selling at 42 to the amount of 5700 shares, closing strong at 43 bid, and Deer Trail No. 2 which sold repeatedly at 21, being at a recovery of 2c from yesterday's close. As was said in yesterday's Exchange News, there was absolutely no valid reason for the slump and investors should take advantage, as they did today, of all weaknesses.

There was a sale of Republic made at 123½, 1000 shares being sold, more was offered at 123½.

Big Three was inactive, selling at 14 and 13½.

There was listed on the Exchange this morning "The North Star Mining Company" which is situated in East Kootenay, B. C. The authorized capital is \$1,500,000 in shares of one dollar each, of which 1,040,000 shares have been allotted in full payment of the properties, and 460,000 shares have been placed in the treasury to provide for working capital or other purposes of the company.

The directors are D. D. Mann, Esq., president; Hon. A. A. Thibaudeau, vice-president; Wm. Mackenzie, Esq., Chas. E. L. Porteous, Esq.,

It was quoted this morning at 105-102, without any sales taking place.

In other respects the market was quiet, 157 was bid for Centre Star, but holders of the stock are scarce, and are not over willing to part with their holdings.

In Knob Hill 86 was bid without bringing out any stock, and in California, 12 was offered, but stock holders were firm round 12½.
