### SCHOOL FURNITURE

The Bennett Furnishing Co., of London  
Ont. make a speciality of manufacturing  
the latest designs in Church and School  
Furniture. The Catholic clergy of Canada  
are respectfully invited to send for catalogue  
and prices before awarding contracts. We  
have lately put in a complete set of pews  
in the Brantford Catholic Church, and  
for many years past have been favoured  
with contracts from a member of the clergy  
in other parts of Ontario, in all cases the  
most entire satisfaction having been expres-  
sed in regard to quality of work, lowness  
of price, and quickness of execution. Such  
has been the increase of business in this  
special line that we found it necessary  
some time since to establish a branch office  
in Glasgow, Scotland, and we are now en-  
gaged manufacturing pews for new churches  
in that country and Ireland. Address
