Vancouver News-Advertiser: The scene at the C.P.R. wharves yesterday afternoon was one that could not fail to impress an observer with the growing magnitude of Vancouver's shipping trade. At the eastern wharf where the steamships "Albany" and "Danube" loading and discharging freight for China and Japan and the collier "Robert Kerr." The Victoria boat, the "Yosemite," was at the centre wharf while the San Francisco steamer, the "Umatilla," and the "Premier" for Puget Sound were at the western discharging and loading freight for all points on the Pacific coast. The wharves themselves were a scene of bustle and excitement.
