SEED Warranted to Grow.

or order refilled gratis. I have all vegetable and flower seed to ever a million farmers and gardeners in the United States, perhaps some are your neighbors. If so ask them whether they are reliable. Mr. Thomas Henshall of Troy, Kansas, writes me: "For 25 years I have dealt with you. I have lived in Iowa, Missouri, Colorado, and Kansas, and no matter what the soil or climate, the result was always the same, to wit: religiously honest and good. This is the kind of seed I raise and sell. The Hubbard and Marblehead Squash, Marblehead Corn, Marblehead Cabbages, Ohio Potato, Eclipse Beans, are some of the vegetables of which I was the original introducer. A Fair with \$500 in premiums. See my catalogue, free to all."

Ruskin's Works reduced to **\$18** (from \$600)

Illustrated Edition.

An edition worthy of **RUSKIN**,—as he is among living Masters of the English Tongue and of Universal Art,—and, also, by reason of its small cost, is within the reach of every cultured home.

We have paid \$5000 in cash for one complete set of **RUSKIN'S Works**—some of them being very scarce, and the early editions containing the best impressions of the fine illustrations and many colored plates, being very highly valued by connoisseurs—in order that with the best modern resources of the printer's and engraver's arts, we might reproduce in an American edition thoroughly satisfactory to admirers of **RUSKIN**, and yet at a low price.

We count this publication as the most honorable—the grandest—achievement of *The Literary Revolution*, and rejoice greatly that we are able to offer this magnificent edition to the American people; and we glory not more in the author and the resources he has given us, than in the fact that there is a great and growing American constituency that appreciates **RUSKIN**.

The present set will be complete in 15 vols., crown octavo. It will contain all the works of **RUSKIN** which are of more than transient or local interest, and which are not included in any other American edition heretofore published, and nearly 5000 pages additional. Numerous illustrations, including many fine colored plates, will be presented, far greater in number and much superior in quality to other American editions which have heretofore cost more than twice the price of this.

Ruskin's Select Works.

Though all admirers of **RUSKIN** will, of course, desire his complete Works, it is possible to procure many yet by reason of their magnitude and consequent comparatively high cost they may be temporarily out of the reach of some. To meet the wants of such customers we shall publish an edition of his "Select Works" separately in eight volumes, for the net price of \$9.00 for the set. The "specimen volume" mentioned below will be included in this set. For further list of the contents see specimen pages.

A SPECIMEN VOLUME

The entire set of 15 volumes will be ready not later than August 1, 1885. It will be sold only in sets (and select works now), at the price of \$18.00—with this exception: To make widely known the superb qualities of the work, we propose to offer, separately, ONE SPECIMEN VOLUME containing four of **RUSKIN'S** most popular works, namely:
 The Seven Lamps of Architecture—Finely Illustrated.
 Lectures on Architecture and Painting—Illustrated.
 The Queen of The Air.
 The Ethics of The Dust.

All of these are bound in one handsome crown octavo volume, fine cloth, beveled boards, gilt tops, uniform with the set. This volume is NOW READY. On condition that the order is received on or before June 1, 1885, we will sell this volume (only) at the reduced price of 85 cents—15 cents extra if ordered by mail. Purchasers of this volume will be allowed, of course, to complete their sets, but not at this reduced rate.

Specimen PAGES FREE.—A copy of the April number of *The Bookworm* (monthly 25 cents a year), which contains a specimen chapter from **RUSKIN'S** graphic pen, sent free on request.

Fair Terms.—Books not under \$5.00 in value are sent to anyone for examination before payment on reasonable evidence of good faith. 148-page illustrated and descriptive Catalogue of our immense list of Standard Books sent for 4 cents. Mention this paper.
