A POSTMASTER'S STORY.

A Strange Attack and the Dire Results That Followed.

Mr. Robert Sharp, of Starkville, Tells of His Sufferings—Lost the Use of Both Hands and Feet and was Forced to Give up Business—The Timely Action of a Friend Pointed the Way to Renewed Activity.

From the Bowmanville News.

Mr. Robert Sharpe is a well known resident of Starkville, Durham County, who has been living in Canada for about thirteen years. He is by trade a blacksmith, and on coming to this country located in the township of Haldimand, in the county of Northumberland. After working there for a time he purchased a residence and shop at Starkville, where he worked at his trade and established a nice business. Being both courteous and obliging he was well liked and was appointed postmaster for the place. He was in the best of health and with the exception of a slight asthma trouble had no complaint of any kind. In the month of March, 1892, he attended an auction sale in the neighborhood and came home in the evening apparently all right, but during the night was taken with a chill, accompanied with a violent pain which gradually grew worse and before morning he went into convulsions and became unconscious. A doctor was summoned who bled him freely, which seemed to relieve him for a time, and next day he seemed better, and the doctor told him he would be all right in a few days. This, however, was not verified, and although he could go around he was fast falling in health and at times would be in an agony of pain. One doctor said he had sciatica, and another told him that his trouble was rheumatism of the spine and that he would never be better. He tried many medicines but all failed to do him any good. At this time he was so weak that he could only hobble around with the assistance of two sticks, and had to give up work. The pain continued day and night and he often longed for death to relieve him of his sufferings. About this time Mrs. Sharpe wrote a letter for him to a friend for whom he had worked when he first came out to the country, and this friend sent him a couple of boxes of Dr. Williams' Pink Pills, urging him to give them a fair trial. Before the second box was done he felt somewhat better and purchased another supply. To hasten the story, Mr. Sharp continued the use of the Pink Pills until he had taken fourteen boxes, by which time he had completely recovered and is now as well as ever he was, and has lost all the asthma trouble as well. He is now able to do a hard day's work, and is loud in his praises of Dr. Williams' wonderful Pink Pills. As the reporter was leaving a Mr. Stark, an intelligent farmer who lives close by, called, and verified all that Mr. Sharp had said, and referred the reporter to others in the neighborhood who knew the circumstances as well. One who had never seen Mr. Sharp before would not think, looking at him to-day, that he has come through the ordeal he has, as he seems the very picture of health and both he and Mrs. Sharpe attribute the whole cure to Pink Pills.

Dr. Williams' Pink Pills strike at the root of the disease, driving it from the

system and restoring the patient to health and strength. In cases of paralysis, spinal troubles, locomotor ataxia, sciatica, rheumatism, erysipelas, scrofulous troubles, etc., these are superior to all other treatment. They are also a specific for the troubles which make the lives of so many women a burden, and speedily restore the rich glow of health to sallow cheeks. Men broken down by overwork, worry or excess, will find in Pink Pills a certain cure.

Sold by all dealers or sent by mail, post paid, at 50 cents a box, or six boxes for \$2.50, by addressing the Dr. Williams' Medicine Company, Brockville, Ont., or Schenectady, N. Y. Beware of imitations and substitutes alleged to be "just as good."

FUN AND ENTERTAINMENT.

"THE PEOPLE'S COURSE."

The people of this city will not lack amusement the coming season, and that of the very best, as owing to the vast size of the new Massey Music Hall, courses of entertainments have been arranged that will do much to amuse and educate our people.
