WESTERN HEMISPHERE!

MURRAY & LANMAN'S

FLORIDA WATER.

THIS care Perfume is prepared from tropical flowers of surpassing fragrance, without any admixture of course essential oils, which form the stupic of many "Resences" and Extracts for the Toilet. Its aroma is almost inexhaustable, and as fresh and delicate as

the breath of Laving Flowers. WHAT ARE ITS ANTECEDENTS?

For twenty years it has maintained its ascendancy over all other perfumes, throughout the West Indies, Guba and South America, and we earnestly recommend it to the inhabitants of this country as an article which for softness and delicacy of flavor has no equal. During the warm summer months it is peculiarly appreciated for its refreshing influence on the skin and used in the bath it gives buoyancy and strength to the exhausted body, which at those psrioga is particularly desirable.

READACHE AND FAINTNESS Are certain to be removed by freely bathing the tem-

plea with it. As an odor for the handkerebief, it is ne delicious as the Otto of Roses. It lends freshness and transparency to the complexion, and removes RASHES, TAN AND BLOTOURS

from the skin. COUNTERFEITS.

# STOMACH BITTERS.

READ AND REFLECT.

Believing that FACTS, IMPORTANT to the HEALTH and COMFORT of the PUBLIC, and which can be VERIFIED at ANY MOMENT by addressing the parties who wouch for them, ought not to be hid under a bushel, the undersigned publish below a few communications of recent date to which they invite the attention of the people, and at the same time ESPECIALLY REQUEST all readers who may feel interested in the subject to ADDRESS the individuals themselves, and ascertain the correctness of the particulars.

## HOSTETTER'S CELEBRATED

STOMACH BUTTERS.

Brooklyn, N.Y., May 22, 1863. Messrs. Hostetter & Smith: Gentlemen-I have used your Bitters during the last six weeks, and feel it due to you and to the public to express my hearty approval of their effect upon me. I never wrote a 'puff' for any one, and I abhor everything that savors of quackery. But your Bitters are entirely removed from the level of the mere nostrums of the day, being patent alike to all, and exactly what they profess to be. They are not advertised to once everything, but they are recommended to assist nature in the alleviation and altimate beating of many of the most most common infirmities of the body, and this they will accomplish. I had been unwell for two months, as is usual with me during the spring. I was bilious, and suffering from indigestion and a general disease of the mucu-ous membrane, and though compelled to keep at work in the discharge of my professional duties, was very weak, of a yellow complexion, no appetite, and much of the time confined to my bed. When I had been taking your litters a week my vigor returned; the sallow complexion was all gone-I reliated my food, and now i enjoy the duties of the mental application which so recently were so very irksome and burdensome to me. When I used your Bitters, I felt a change every day. These are facts. All inference must be made by each individual for himself.

Yours, respectfully,

W. B. LEE,

Pastor of Groom Avenue Presby berian

Church.

HOSTETTER'S GELEBRATED

Stomuch Bitters.

Prospect Cottage, Georgetown, D.C., April 2, 1863.

Messra. Hostter & Smith:

Gentlemen-It gives the pleasure to add my testimonial to those of others in savor of your excellent tion by taking their Passage on board the Steemer preparation. Several years of residence on the banks KUROPA, as a Tender will come alongside to conof a Southern river, and of close application to lite- ver Passengers without any extra charge. rary work, had so theroughly exhausted my nervous system and undermined my bealth, that I had become a martyr to dyspopsia and nervous headache, recurring at short intervals, and defying all known remedies in the Materia Medica I had come to the conclusion that nothing but a total change of residence and pursuits would restore my health, when a friend recommended Hostetter's Bitters. I pronured a bottle as an experiment. It required but one but-tle to convince me that I had found at last the right combination of remedies. The relief it afforded me has been complete. It is now some years since I first tried Hostetter's Bitters, and it is but just to say that I have found the preparation all that it claims to be. It is a Standard Family Cordial with us, and even as a stimulent we like it better than anything else; but we use it in all narrous, bilious and drapeptic cases, from lever down to toothache. It what I have now said will lead any dyspeptic or nervous invalid to a sure remedy, I shall have done

some good. f remain, gentlemon, respectfully yours, R. D. E. N. SOUTHWORTH.

Flear Sits-Will you do me the favor to forward by express one baif-dozen Hostottee's Stomach Bitters, with bill, for which I will remit you on receipt of same, as I am unable to procure your medicine here; and if I had a quantity it could be sold readily, as it is known to be the best preparation in use for diseases baving their origin with a diseased stomach. I have used and sold hundreds of preparations, but your litters are superior to anything of the kind I am cognizant with. Indeed, no soldier should be without it, should be be ever so robust and healthy, for it is not only a restorative, but a preventative for almost all disesses a soldier is subject to. I have been ufflicted with chronic indigestion and no me-

dicine has afforded me the relief yours has; and I trust you will lose no time in sending the Bitters or-
