Purely Vegetable. The need of a safe and perfectly reliable purgative medicine has long been feit by the public, and it is a source of groat satisfaction to us that we can, with confidence, recommend our BKISTOL'S SUGAR-COATED PILLS, as combining all the essentials of a safe, thorough and agreeable family cathartic. They are prepared from the very finest quality of medicinal roots, herbs, and plants, the active princi-ples or parts that contain the medicinal value being chemically separated from the inert and useless fibrous portions that contain no virtue whatever, Among these medicinal agents we may name PODOPRYLLIN, which has proved to possess a most wonderful power over the Liver, and all the bilious secretions. This, in combination with LEPTANDRIN and other highly valuable vegetable extracts and Grugs, constitutes a purgative Pill that is greatly superior to any medicine of the kind here. tofore offered to the public.
