Our Service to Investors

INDUSTRIALS

THE Securities issued by several Canadian
 industries are as good as gold bonds. They
 can be purchased through us by persons of
 limited means. They pay high dividends and
 capital is secured.

These Securities present no speculative risks
 because their market value is maintained by
 steady expansion and the unusually strong re-
 sources behind them.

As a means of steady money accumulation, par-
 ticularly attractive to those of limited means,
 the list of Securities which can be negotiated
 through us calls for consideration. A letter
 endorsed "Service to Investors" will bring you
 the information you require.
